Yes, It's To Be A Big Series

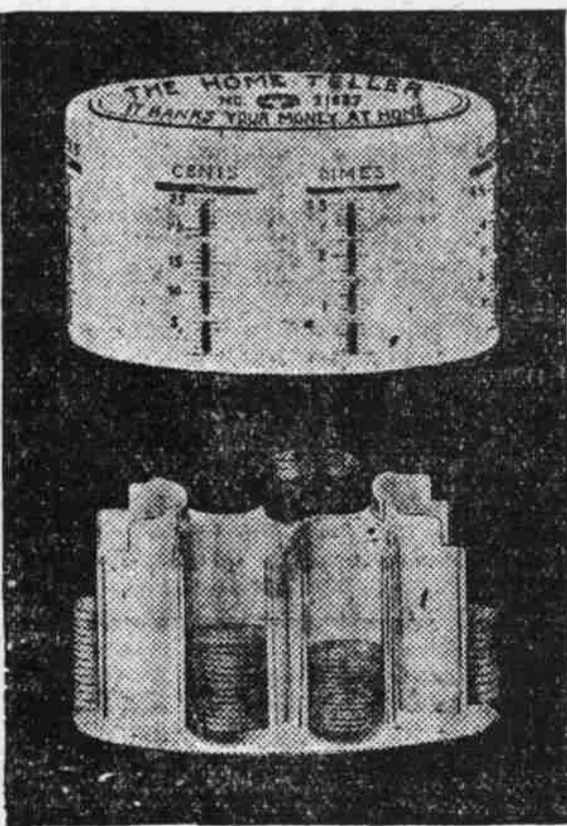

You know we're selling shares every hour, and it looks as if the whole shooting match is bound to get into this new issue. Well, that's the proper caper, Sallie Anne. If your old man had stuck to "Eddie" and this old ship, as we begged him to do, he'd be here today shaking the glad hand and happy, war or no war.

GOING TO SELL THESE PARTLY MATURED shares, too, by July 1st or my name's Mud. Lookout now!

39 weeks old to July 1st, 5, 5 and 4 shares at	\$9.75	Per Share.
52 weeks old to July 1st, 5 and 10 shares at	13.00	" "
65 weeks old to July 1st, 8 shares at	16.25	" "
26 weeks old to July 1st, 6 shares at	6.50	" "
78 weeks old to July 1st, 2 shares at	19.50	" "
91 weeks old to July 1st, 4 shares at	22.75	" "
104 weeks old to July 1st, 11 shares at	27.00	" "
130 weeks old to July 1st, 20 shares at	33.50	" "
143 weeks old to July 1st, 35 shares at	36.75	" "

Make your choice and fire it in by wire or phone. No time for swapping horses, and we're doing business. If you haven't money enough to light on any of the plums, fasten to a few NEW shares instant, and get in the procession. It's the survival of the fittest. If you can't run, get a hold on our flying machine. We want hustling, happy men and women, boys and girls, in our parade, so if you can't stand the pace, give way to Sallie Anne, the gal with the short skirt and the zebra stocking. "Safety to the bow wows, styles me 'long suit." Have you been to the Billy Malone Tango? Oh, git away, now, I'm some style. Just cut your eye at me shape.
