CHOOLMEN SCRAP NEW GINNERY OVER THE BY-LAWS

Hard Fight to See Whether By-laws Shall be Held to or Whether Board Should Teachers Are Elected.

should passed the prospects of the er committeemen held to be in direct agricultural and mercantile interests particularly during the

others, while Mr J. D. McCall, Assistant Superintendent Alexander Graham

The debate approached critical stag-

applications to permit children not quite six years of age to enter school granted. These, however, after pro- fire-proof. longed discussion were out voted.

Details of Session. Mr. McCall declared it would be moved that the motion to grant the

carner for some desks at the Elizabeth Wills school. This also got itself minmembers taking the position that if for in the city system, it would be however finally went to the buildings invention in this line. and grounds committee on Mr. J. Lan-

drum Brown's amendment. Balk moved to amend the laws as to certain children whose apter the city schools, the children coming from out of the city. This motion was lost. Mr. McCall moved that the rule be construed to mean that childrin might attend school whose parents live in the city or whose guardians had taken out the necessary legal papers, costing about \$1.25. The McCall resolution, after debate, was adopted. It was set forth that the rules and by-laws do not exclude orphans in the city.

Mr. McCall, as chairman of the teachers' committee, made his report and recommended two new teachers for the high school, Misses May Sanders Howell and Marie McKinley, who were elected to these positions, while gates. several others were elected in other schools, and several resignations and changes were reported, making three new teachers added to the force, the will be available for service else-

The board also voted for the addiion of a grade at Biddleville.

weather. This should result in some well represented on the team. saving, it was thought.
