Easy to Make This Pine Cough Remedy
Thousands of families swear by its prompt results. Inexpensive, and saves about \$2.
You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose. Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain granulated sugar syrup. To make the best pine cough remedy that money can buy, put 2 1/2 ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and very pleasant—children take it eagerly. You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment. Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs. Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

NO TIME EXTENSION ON INCOME RETURNS
Internal Revenue Commissioner Roper has instructed Collector Watts that no general extension of time beyond March 15 for filing income and excess profits returns by individuals, firms and corporations and the payment of the first quarterly payment of the tax due on or before that date will be granted. This is necessitated by the condition of the treasury. There are treasury certificates of indebtedness approximating \$800,000,000 maturing March 15, and the first quarterly payment of income and excess profits taxes is needed to take up these certificates.
Blanks will be sent out as soon as the revenue bill becomes law, and deputy collectors and other revenue officers will go to every county to assist taxpayers with their returns. Notice of the times and places will be published in the papers.

NOBLE NOBLE IS NEW POTENTATE
Dr. R. J. Noble Elevated to Highest Office Within Gift of Oasis Temple.
As predicted in The News of yesterday, the election of a potentate for Oasis Temple, Nobles of the Mystic Shrine, to succeed Potentate James O. Walker, resulted in the general moving up of all officers of the divan. Noble, Dr. J. R. Noble, of Selma, formerly chief rabban, was elevated to the rank of illustrious potentate to succeed Noble Walker.
Other officers elected were Julian Price, of Greensboro, to be chief rabban; J. W. Grimes, of Asheville, to be assistant rabban. Dr. C. P. Ambler, of Asheville, remains high priest and prophet; Thomas Griffith, Charlotte, recorder, and W. L. McDonald, of Charlotte, treasurer, while C. V. York, of Raleigh, becomes oriental guide.
At this time also the temple elected Past Potentate Hugh A. Murrill to be imperial representative of the temple to the imperial council, which meets at Indianapolis in June.
Immediately after the election, illustrious Potentate-Elect Noble announced the appointment of the other officers of the temple as follows: A. G. Myers, of Gastonia, first ceremonial master; J. D. Elliott, of Hickory, second ceremonial master; L. D. Sutherland, of Rockingham, captain of the guard, and C. M. Vanstory, of Greensboro, outer guard. Capt. E. B. Graham, who has commanded the Arab patrol for the past three years, was reappointed to this position, and in compliance with a resolution of the temple, adopted at the December meeting, providing for the appointment of a deputy recorder, who will handle the publicity of the temple, the potentate-elect named Leake Carraway, of this city, to the new office. This appointment is for the purpose of recognizing the member of the temple upon whom this duty is laid and to give him the prestige of membership in the divan. For five years he has handled the publicity work of the temple as chairman of a committee. Immediately after these appointments were announced, Imperial Potentate Jacoby installed all officers, elective and appointive, and the temple was closed.
Imperial Potentate Elias J. Jacoby who was here upon his official visitation, installed the officers and was shown many courtesies. At noon yesterday a luncheon was served in his honor and again at 8 o'clock a banquet was served at the Selwyn hotel. The business session occurred at 3:30 o'clock yesterday afternoon in the temple.

THE BOY SCOUTS AFTER LEADERS
Every Man They Meet Upon the Streets Will be Asked to be Scoutmaster.
February 11, today, has been set aside by the local council of Boy Scouts as a day to campaign for scoutmasters. The scouts will be on the streets today in full force and will ask every man that they meet to become a scoutmaster.
The organization is growing so rapidly that they are in need of more scoutmasters and leaders to carry on the work.
"Help boost your city and lend your assistance to one of the greatest movements of the present day for boys," said a scout official. "All that is necessary to organize a troop is a scout leader, a group of boys and the big outdoors. The only requirement of a scoutmaster to be is that he must be twenty-one years of age and an American citizen of good moral character. The Boy Scouts of America was incorporated by congress of the United States in June, 1916. Every red-blooded American who has spare time and a hankering for the great outdoors should become a leader in this great organization for boys."
