SHIRTS OF QUALITY
The ear marks of Quality are very apparent
in our Shirts. We show Shirts of handsome and
exclusive patterns of Cambric, Pecale, Silk and
Linen and all Silk.

COME HERE FOR BETTER SHIRTS
Our Shirts do not rumple or bind because
plenty of material is used. Ordinary Shirts are
made of thin, flimsy fabrics that ravel and rip
quickly. Our shirts are from substantially woven
goods. The neckband, cuffs and all other parts
are carefully and correctly shaped.

When you buy a shirt here you secure a shirt
of special value. They're made by Wilson Bros,
the best shirt makers.

Chaise-Loungue
Not the "chaise" of Webster but a French
word meaning chair. Now we have it, chair-
lounge, a combination of comfort.

Furniture these days is so different, mod-
ern manufacturers are studying ways to make
you enjoy your home.

"HOME"
It is a grand word, and stands for the greatest
American institution, the home made possible,
the lad who won. Is your home just right? If
you are not sure may be we can suggest the piece
or suite needed. Notice suite on display in our
east window.
