Charlotte, N. C. WANTED-MISCELLANEOUS BUSINESS HEADS

URGE RAILROADS Local Men Say Line Should

be Built Through "Lost Provinces" of West. Interest of business men of Cho lotte and this section of the state the proposed highway through

by a highway through Taylorsville 4-6-tf-wed-sun being supplemented by a move toward insuring the construction of a railre through the "provinces" with come tions to this city over the Souther Railway by Taylorsville.

It was recalled by men discussing the project Wednesday that the his legislature authorized the governor; appoint a commission of five men investigate the feasibility of sall North Carolina railroad bonds and h vesting the proceeds in the constru tion of a railway through northwa ern Carolina and connecting lines this state with lines in Tennessee fording a half-dozen direct routes Ohio River cities. The proposal for Mecklenburg

Iredell counties to advance money the construction of a hard-surface highway from Charlotte to Tayl with the highway into the "ost Pr inces," is to be made to the state hier way commission, now in session 26-tf Raleigh by W. C. Wilkinson, sixth

trict highway commissioner. AGREEMENT EXPECTED. will agree to the proposal of these tw counties, and local citizens are rec nizing as assured a hard-surfaced gor cunning from Charlotte to Taylorsville with ultimate connections into 'Lost Provinces.'

No intimation has come from eigh as to when Governor Morris will appoint the commission to look is through men soon. The commission is to re port to the legislature at its nex session at which time action is expered to be taken. It was pointed out that,

road and highway connections for with the northwestern counties merchants would be opened up, would be turned eastward.

The railroad, in addition to up North Carolina to the people of t would provide a direct freight between cities of the central west cities of this section. neighboring cities are paying hauls necessary from central state points. With a direct haul through

the mountains of this state lower rates would be possible.

DIRECT ROUTE NEEDED. To assure a direct freight route the that reason local shippers intereste bilities of a consolidation of railroads. as proposed by the Federal govern ment. Should a railroad be through the "lost provinces" and could be rendered, it was pointed With through service direct freight connections from central states Charlotte not only but to Charleston and Wilmington, seaports of the Ca

the consolidation of short line ra roads which would afford through ser ice and local men feel that if the rai ice would come soon. But trade boosters are now not only in the highway into the provinces" but also in the way. With these two trade-product factors realized Charlotte and et
