EIGHT CLASSMEN ARE SUSPENDED

Turned Rooms of Freshmen Topsy-Turvy and Are Dealt With.

Chapel Hill, N. C., June 4.—Eight students at the University of North Carolina, all of them in their second year, have been suspended by the student council for the remainder of the season because they entered the rooms of freshmen in the Carr building while the occupants were absent at a class smoker, overturned the beds, threw furniture out in the halls, poured water over beds and clothing, and otherwise rough-housed the rooms.

The trouble occurred while the freshmen were all away and no physical contact between the students took place, according to W. R. Berryhill, chairman of the council. It is possible that further investigations by the council will result in the punishment of additional students.

The eight suspended students are P. C. Fronberger, of Bessemer City; H. L. Dibbs, of Lilesville; John H. Mendonhall, of Greensboro; M. F. Leftwich, of Blinnville; J. W. Kirshright, of Raleigh; E. A. Thompson, of Greensboro; William K. Haring, of Charlotte, and C. S. White, of Stovall. All are sophomores except White, who is taking a pre-medical course.

The freshmen class had assembled in Swain Hall for a smoker given in its honor by the university and the Y. M. C. A. jointly, and it was during this smoker that the rough-housing took place. The beds in virtually all the freshmen's rooms in the Carr building were "dumped," chairs and trunks were thrown out into the halls, book cases were overturned and books scattered about, clothing was tossed around and water was thrown over the beds and bed clothes.

Upper class students, including several members of the student council, learned of the matter and arrived on the scene in time to prevent a possible clash between the sophomores and the freshmen returning from the smoker. The sophomores had the quantities of water in the building and apparently were preparing to give the freshmen a wet welcome when they returned, but under the influence of the older men the affair ended.

SHRINE BAND MAY RENEW CONCERTS

Concerts from the porch of the Red Fez Club by the Shrine Band likely will be resumed soon to be continued through the summer, according to announcement by members of the band. Numerous requests have been made for the band to resume the concerts which were held last summer and discontinued when cold weather came.

The concerts last summer were each Monday night from the balcony of the Red Fez Club and proved entertaining to hundreds of citizens who were on the streets. The band meets every Monday night for practice, and it is planned to give the concerts following an hour or so of practice.

The concerts may be started Monday night, it was understood, if arrangements can be made by that time. The public will be informed of the exact date and time when the first concert will be held in order that they may be up street or in the vicinity of the Red Fez Club.

NO USE TALKING, MATILDA.

we have a machine in the Mutual Billy Malone. Commonly known as "The Poor Man's Friend," which has no superior and but few equals on this sphere. That's talking some, but it's the result of 40 years of study, investigation, comparison, improvement, devotion. These elements produce, and their creature is here presented.

MANY THROUGHOUT THE UNION

imitate, but to equal the Mutual in service and accomplishment the midnight oil must be burned, intelligent application must be given, devotion and enthusiasm must be lavishly expended, the vision of bigger and brighter things must be constantly in mind.

JUST FROM NEW ORLEANS

where were assembled the biggest and best B. & L. men in the world, and, believe me, fair one, none shone fairer and truer to form than the Mutual of Carolina.

THE APRIL SERIES, MY DEAR,

didn't sleep while this bird was away. The dear people kept coming in and till it numbers a goodly host, and still they come. Every day adds more and more for when you mention Saving or Thrift or Homes to a Carolinian, native or adopted, his thoughts turn to the Mutual as naturally as a duck takes to water.
