"BULL" MONTANA WHO WILL WIN TOMEET MARSTER THE BIG FIGHT?

Husky Wrestler Will Leave to Help Jack Dempsey Tonight.

"Bull" Montana, who is scheduled to appear at the auditorium tonight against Joe Turner, Charlotte's favorite wrestler is one of the most unique characters in the wrestling game. Montana is not only a great wrestler, one of the hombest men in the world and a moving picture star in such roles as an ape or the missing link

but he is also one of the brightest men in the game. Just as soon as Montana fills his engagement here tonignt with Joe Turner, he will leave for Atlantic City where he will stay in Jack Demusey' training quarters until the big fight takes place on July 2; as one of the

champion's trainers. Bulf and Jack are great personal friends and Dempsey, so 'tis said, sonsiders the big wrestler a drawing card as well as a mighty clever conditioner and also a mascot.

Another strong personal friend of Montana is Doug Fairbanks, the mevie star, with whom Bull has appeared in a number of pictures. Montana will outweigh Tuener some 25 or more pounds but Joe is in the best condition of his life and stated last night that he honestly expected to last? defeat the famous "Bull" tonight.
