

EVEN HUNDRED IN COLUMBIA. Columbia, June 15.—With the official announcement of the United States Weather Bureau of temperature of 100 degrees in Columbia Tuesday, a new record was established for this date for the 35 years of the existence of an office of the weather bureau here, the previous high record for June 14 being 99 in 1899.

HOW TO KEEP THE HAIR BEAUTIFUL AND LUSTROUS

The scalp of the head is to the roots of the hair what the soil is to plants, and unless the scalp is properly cared for, the hair roots are undernourished, the roots die, the hair becomes lifeless and brittle, then falls out. The best way to have a beautiful suit of hair and make it retain its full lustre and splendor is by frequently giving the head a thorough cleansing and brisk rubbing with Amproco Medicated Coconut Oil Shampoo, a combination shampoo and hair tonic. Amproco thoroughly cleanses the scalp, rids the head of dandruff and itching, promotes the growth of hair and brings to it renewed life and lustre. Use Amproco and you won't have to use a tonic afterwards, as Amproco has all the tonic qualities found in any good hair tonic, including quinine. As there are numerous coconut oil shampoos, be sure to get the genuine medicated shampoo and tonic combined by specifying "Amproco" and accept no substitute. Amproco is guaranteed. 50c at best toilet counters.

FORT MILL BRIDGE MATTER DISCUSSED

Fort Mill, S. C., June 15.—The county board of commissioners met in Fort Mill Tuesday with Highway Commissioners Griffith and Withers, of Mecklenburg county, to make final disposition of the matter of the new bridge to the north of Fort Mill to connect the two counties. The meeting was very harmonious and the joint commission seems agreed in the matter of location and construction. A matter of satisfaction to the people of Fort Mill township was the assurance of Mr. Griffith, that if Fort Mill township built a standard sand clay road to the North Carolina line through Gold Hill, Mecklenburg county would match it with a road from Kimmell's store in the southern part of Mecklenburg county to the South Carolina line, a distance of about one and one-half miles, and thus provide a splendid highway from Fort Mill to Charlotte.

This assurance was given to L. A. Harris, of Fort Mill, appointed by the general assembly to have charge of building permanent highways within the town, who is greatly interested in good roads throughout the township. THOMPSON GETS LIFE TERM. Decatur, Ga., June 15.—Homer Thompson was found guilty of murder of Ernest Brown, a young farmer, here Tuesday night with a recommendation to mercy and was sentenced to life imprisonment. His counsel filed a motion for a new trial. Brown was shot to death near here the night of March 18 last, in company with Mrs. Eula Putnam.

ROAD CHANGES CAUSE PROTEST

Bell Telephone Company and Some Citizens Complain to Commission.

Complaints made by the Bell Telephone Company that the proposed change of route to be followed by some of the permanent highways which the Mecklenburg County Highway Commission proposes to build will cause that company much trouble have been received by the Highway Commission. Citizens of the county have also made similar complaints to the commission. The Bell company points out that its right of way and its wire lines have been placed at much cost and where they will be of the greatest service to the public and that the proposal of the high commission to re-route some of the highways will cause confusion and expense. The Highway Commission recently indicated to the State Highway Commission certain changes of routes of highways in this county to avoid railway grade crossings and otherwise improve roads that are to be made permanent. The state law laid down for the commission to follow is that where a survey for a change of the direction of a highway is made it shall be followed. What redress the complainants may have is a matter foreign to the commission, which leaves matters of that kind to be settled by legal processes already established. The provisions of the new road law give 60 days in which property owners along newly surveyed routes may enter protest.

YOUNG PEOPLE WILL HOLD A CONVENTION Chester, S. C., June 15.—One of the important gatherings of the month of June to the Christian people of counties of York, Lancaster and Chester, is the convention of the York District Christian Endeavor Union, which will be in session two days next week in the Presbyterian church in Lenoirville. The convention dates are June 21 and 22. This convention will represent the young people chiefly of the Presbyterian church, but also some young people of other denominations who comprise the membership of forty to fifty Christian Endeavor societies, having a membership of more than fifteen hundred. The president of the York District Christian Endeavor Union, J. A. Flanagan of Bowling Green, York county, has made announcement of plans for this convention, which indicate that the program will be one of great interest and inspiration for all who gather in the convention. There will be three sessions of the convention the first day and two sessions the second day. BYRNES IS SPEAKER. Chester, S. C., June 15.—Post 1, Travelers Protective Association, of Chester is going to have its great annual celebration and barbecue Friday in Solicitor J. K. Henry's grove. The orator of the occasion will be Congressman James Francis Byrnes of the second Congressional district of South Carolina.

A DISTINGUISHED PREACHER of the Methodist Church, a teacher of my early years, told me "to aim high if I shot low." This strengthened me many times when obstacles seemed insurmountable. I haven't reached many of the rungs of the ladder I should have, but they CAN and SHOULD be mounted by you. Your opportunities today are far greater than were ours in the long ago. THE MUTUAL B. & L. is a potent means to success and honorable manhood, and with all my mind and heart I urge you to use it, for, as the clouds gather and you dispel them, as troubles come and you overcome them, I know from long observation and experience that then you will appreciate the advice here given in simple truth and in all sincerity. BY THIS SIMPLE SYSTEM many a home has been saved, many tears dried, many sorrows soothed. By its use many roofless are sheltered, many unfortunate cared for, many are educated, many disconsolate renewed in hope and faith and determination. All these are worth while, so let's make it shine and shine and shine. SHAREHOLDERS' ANNUAL MEETING will be held in office of Association at 4 p. m. July 14th, 1921. Come and hear the Auditor's fine report. E. L. KEESLER, Secretary and Treasurer. JNO. R. PHARR, President. 25 South Tryon St.
