Liberty Hall Chapter Observes Flag Day.

Liberty Hall Chapter, D. A. R., held its last meeting of the season at the home of Mrs. Isaac Hardeman on Queens road, Myers Park, Tuesday afternoon, in celebration of Flag Day. In the absence of the regent, Mrs. W. O. Nisbet, Mrs. Mattie H. Stewart presided.

Mrs. Hardeman's elegant home was decorated with flags, and punch was served to the guests upon arrival.

Six new members were received into the chapter.

A special program had been arranged by Mrs. Alston D. Morriss. Mrs. P. L. Grooms gave some interesting facts about the origin of the American's Creed.

Miss K. M. Neal gave John Haly's toast to the flag. Mrs. Willis Brown gave a reading on who made the flag.

Mrs. E. P. Tingley told why we observe June 14 as Flag Day.

Mrs. Ruth Keiley Wilkes told some facts about our national anthem, the Star Spangled Banner and its author, Francis Scott Key, whereupon the chapter rose and sang the first verse.

A hot discussion of Ambassador Harvey's speech followed, the chapter resolving to appeal to Mrs. George Maynard Minor, president-general of the Daughters of the American Revolution, to use her influence as head of that great organization, toward having Ambassador Harvey recalled.

After the program was concluded, Mrs. Hardeman served a delicious ice course.

Dr. Clifford To Sell

Dr. John S. Clifford will leave Wednesday night for New York, from which place he will sail in the next few days for Europe to be gone until about the first of October. Dr. Clifford will sail with a group of physicians from New York and Rochester, the party to include a number of his personal friends. He will visit Glasgow, Edinburgh, London and other places in the British Isles and places on the continent. He will spend most of the time attending clinics.

Mrs. Bryant Entertains Duplicate Club

Mrs. C. E. Bryant was hostess to the Duplicate Bridge Club Wednesday at 11:30 o'clock at the Country Club. Luncheon followed the game.

Mrs. Howard Payne Conway was the guest, substituting for Mrs. Charles E. Lambeth. Those playing were Mrs. Bryant, Mrs. Conway, Mrs. Morehead Jones, Mrs. Dan F. Carroll, Mrs. Thomas Henderson, Mrs. David Clark, Mrs. John L. Morehead, Mrs. Lane Etheredge.

Miss Grace Albee, Bride of T. A. Rivers.

A marriage of much interest here and elsewhere was that of Miss Grace Albee and T. A. Rivers, which was solemnized Wednesday morning at 9 o'clock at Tryon Street Methodist church, the pastor, Rev. H. G. Hardin officiating.

The church was beautifully decorated with potted palms, ferns and Queen Anne's lace. The vows were spoken before a bank of palms interspersed with cathedral candlesticks holding lighted tapers.

The bridal music was rendered by Mrs. Helen Foll Beard.

The groomsmen were C. R. Albee, of Winston-Salem, brother of the bride; D. Fluke Reid, D. Muncy Smith and Perry.

The flower girls were Miss Jean Montgomery and Miss Jane Wiley. They carried baskets of pink sweet-peas.

Miss Mary Virginia Buckley was ring-bearer. She carried the ring in a lily.

Miss Pat Alexander was maid of honor. She wore orchid taffeta with picture hat of orchid, and carried a basket of roses and sweetpeas tied with tulle.

The bride entered with her brother, W. Ray Albee. She was charming in a tailored suit of midnight blue tricotine with gray accessories. Her shower bouquet was of roses and orchids.

Mr. Rivers was accompanied by Mr. Sheldon as best man.

The impressive ring ceremony was used.

Immediately after the ceremony, Mr. and Mrs. Rivers left for Louisville, Ky., where they will make their home in the future.

The bride has been one of Charlotte's most attractive and popular young business women for some time, having held a position at the Charlotte National Bank. She is a pretty blonde, and is gracious and charming. She was educated at Columbia College, Newton, and is bright and talented.

Mr. Rivers is a native of Atlanta, but for a number of years has made Charlotte his home, being connected with the Charlotte offices of the Southern Bell Telephone Company. He is a young man of splendid ability and pleasing personality, and has made many friends in the city who regret to see him leave.

Out-of-town guests for the wedding were: Mr. and Mrs. M. B. Albee, parents of the bride; Mr. and Mrs. J. C. Bentley, of McAdenville; Mrs. W. C. Baker and Mrs. Killian, of Gastonia; Mr. and Mrs. J. C. Leigh and son, J. C. Leigh, Jr., of Hamlet; the latter a sister of the bride.

Following the wedding rehearsal Tuesday evening, Mrs. D. M. Cave entertained the bridal party at her home on Avondale avenue. The home was decorated with gladioli and snaz-daisies in profusion.

When the bridal cake was cut, Mrs. Helen Foll Beard cut the ring, Mr. Rivers the heart, Mrs. J. C. Leigh the button, Miss Boyd the thimble, Mrs. Sheldon the wishbone, ice-cream, cake and punch were served.

FORCED TO FIGHT FOR HIS BREATH

Almost Physical Wreck, Raff Builds Himself Back to Vigorous Health.

"I had heard a great deal about Tanlac and since trying it myself I can conscientiously say it is the best medicine I have ever seen in all my experience," said David Raff, 250 N. 59th St., Philadelphia, recently. Mr. Raff has lived in Philadelphia all his life and is well known and highly respected.

DAVID RAFF, 250 N. 59th St., Philadelphia, Pa.

"My health was all broken up," he explained. "My stomach was all out of order and gave me so much trouble that I actually dreaded to get up to eat. I would simply rather go without eating than suffer the awful misery I knew would follow. I would blot up so with gas that my heart would beat a terrific rate and it would beat so fast I was being smothered to death. I just had to fight for my breath. My nerves were all undone, I slept poorly and was all the time having headaches that were almost blinding. I lost weight and felt so weak and run-down all over I could hardly do any work."

"Sometime ago a good friend of mine told me he knew Tanlac would help me and he spoke so positive about it that I took his advice. And I can say right now that Tanlac is the first medicine I ever saw that will do exactly what they say it will. Five bottles have the same as made me all over again. I can eat anything I ever could in my life and have gained fifteen pounds in weight. I'm no more nervous than a child, sleep fine and it just makes me feel happy to be enjoying such good health. Tanlac certainly is a great medicine."

Tanlac is sold in Charlotte by Jas. P. Stowe & Co., and leading druggists.—Adv.

Birth Announcement.

Mr. and Mrs. Clyde A. Shaw of Concord, announce the birth of a son, Tuesday at their home in Concord. Mrs. Shaw is a native of Charlotte.

NO PRACTICAL RESULT ACHIEVED BY PARLEYS

Mexico City, June 15.—George T. Summerlin, the American charge d'affaires here, has been carrying on conversations with Alberto J. Pani, Secretary of Foreign Affairs, relative to the recognition of the Obregon administration by the United States government. It was announced last night from the office of the President, however, that no practical results had been achieved and that the situation remained virtually the same as it was before the latest memorandum from Washington was presented the government. The statement indicated the negotiations had reached a deadlock, it being said that a second note from Secretary of State Hughes had not arrived and was not expected.

There is no intimation here that the Mexican government intends to make overtures to the United States or deviate from its announced policy of demanding recognition before any treaty is signed.

PULLED SPIKES FROM THE TRACK

Two Were Killed in Wreck of Southern Railway Train in Mississippi.

Hattiesburg, Miss., June 15.—Engineer James D. Jackson, driver of a locomotive on the Southern Railway, and his fireman, Frank Bizot, both of Meridian, were killed last night and the passengers on fast train No. 42, from New Orleans, were well shaken up when an unidentified person pulled the spikes from two lengths of rail about four miles south of here, piling up the engine, tender and first four coaches of the train.

R. C. Reid, superintendent of the road, made the following statement: "Whoever it was that did this went about his work in a careful fashion. He knew that the point selected for the wreck was just below the top of the Richburg hill on a six degree curve which would cause the weight of the train to be resting on the right hand rail, which rail had been loosened. He had brought a wrench, to remove the nuts from the connecting iron, but realizing that loosening these nuts would set the block against No. 42 and would have averted the wreck, he drew the spikes and then threw the crow bar down behind the hill where it was found this morning."
