**Planning to Take a Shorthand Course in June?**  
What system will you choose? Why spend from six to eight months time in slavish study of Pitman or Gregg? Instead, why not learn Spencerian, an easy, fascinating system, which is far more speedy and legible than either Pitman or Gregg?  
Spencerian writers are always in great demand because they turn out a superior grade of work. Learn Spencerian—the Twentieth Century method—taught in this section exclusively at Brown's Business College.

WEATHER CONDITIONS.

June 16, 1921.  
The pressure is slowly rising in the northeast, and the low-pressure area over the Rocky Mountain and western Plains states has lost some of its intensity. While the pressure between these "lows" is relatively high, the gradients are shallow, and somewhat unsettled conditions prevail over a part of the South Atlantic and East Gulf states.

These conditions have been attended by scattered showers in Alabama, northern and eastern Georgia and central and southern South Carolina, they have been mostly light to moderate, but heavy showers of 1.00 to 2.80 inches are reported from a few stations in Alabama and Georgia.

There have also been light to moderate showers in Oklahoma, Arkansas and scattering in the middle Plateau and Rocky Mountain states, Minnesota, North Dakota and Montana.

Temperatures have been seasonable in Oklahoma, but elsewhere in the cotton belt they continue mostly above normal, with maxima of 100 to 102 in southern Georgia and interior of northern Florida.

Somewhat cooler weather prevails over the middle and northern plateau and Rocky Mountain states. Partly cloudy and somewhat unsettled weather is indicated for this vicinity tonight and Friday, with little change in temperature.

Winston-Salem, June 16.—In Forsyth superior court today counsel for the defendant, Arthur Miller, aged 30, charged with the murder of his father, J. W. Miller, a farmer, near Friedberg, this county, February 26, last, tendered a plea of second degree murder, which was accepted by the State. Judge Bryson then sentenced the defendant to the state prison for a term of thirty years at hard labor. Miller killed his father with a mattock, the son claiming that he did it in self-defense, that his father was attempting to assault him with a chair. Ho You Boy Scouts! Take A Lesson In SANDWICHES

The good scout knows how to appease the hunger of the road, and so keeps the knapsack of sandwiches always slung where it may be opened at an instant's notice. Draw up, my hearties, and start the camp-fire burning. Any form of sandwich that mother packs may be turned to royal picnic fare by the simple rite of toasting over the blaze. Tell Mother about these:

Baked Bean Sandwich  
Mash thoroughly one cupful of plain baked beans. Add four tablespoonfuls of grated American cheese and a dash of salt. Moisten with four teaspoonfuls of orange juice. Spread between buttered slices of white or brown bread.

Salmon Sandwich  
Chop fine two hard-boiled eggs and add one-half cupful of minced salmon. Season to taste and bind together with mayonnaise dressing. Spread between neatly-cut slices of buttered bread.

And of course no good scout is satisfied with any Bread but the Best—for he wants his food to give him the most in the health and energy that mean manhood.

BUTTER-NUT BREAD

—is the loaf for good scouts. Eat it to the last crumb. It builds health and vigor.
