Good prices for cotton and Seasonal Fall business combined with more optimistic attitude will put more money in circulation.

Nevertheless we advise Sticking fairly close to a cash basis. A moderate business on cash basis is better than a big business with widely extended credits.

NEW SHARES

are being sold here almost hourly, and that's the right stuff for the man or woman who expects to get ahead or amount to much in life. We sure sold 'em last Saturday. Come any day this week and start the ball rolling. If loan is wanted, file application at once, so as to get in line.

LENDING \$60,000.00

this week, so you see where much of the money you see circulating around is coming from. The people realize the magnitude of the business we are doing, and they also know that every dollar we lend goes out at 6 per cent without fear or favor. The negro urchin gets a square deal here along with the rich or the first lady of the land.

WE LIVE TO RELIEVE

distress and we do it. A good woman came in to-day and said her husband had gone off and her little home was in danger. We showed her a way out, and she left with a smiling countenance.

OUR MATRIMONIAL

Bureau is alive and standing on its feet. A bright girl wanted to know if Bill was keeping up with his B. & L. We told her he sure was and that he never missed a payment. She confided the great secret and we whispered, "Bill's all right," so she's not giving up her job to take care of a worthless dude. We sometimes have to say, "Lookout, Sallie, John's doing no good. Make him come across, or cut him to the heart."

MORE HOMES AND HAPPIER HOMES

is our slogan. Ask Jno. Pharr about it, and his great heart will advise you right and straight and helpfully. Our new series is coming some. Wise people just naturally come here for real service.

A Common Mistake

Don't make the too common mistake of "waiting until you have a few dollars" to start a savings account. Such a time rarely arrives. Human nature with its natural desire to spend works against the plan. The only certain way to save is to deposit your dollars on a savings account one by one as they come. You will receive 4 per cent interest also.
