DAILY WEATHER MAP.

PLANATORY NOTES.

Observations taken at 8 a. m., 75th meridian time. Air pressure reduced to sea level. Isotherms (dotted lines) pass through points of equal temperature. Isotherms (dotted lines) pass through points of equal temperature. Clear, partly cloudy, cloudy, rain, snow, report missing. Arrows fly with the wind. Shaded areas show precipitation of 0.01 inch or more in last 24 hours.

WEATHER CONDITIONS

A depression of marked intensity is centered this morning over the upper lakes and extending southward to the Gulf, which has caused general rains in the lake district and thence southward to the southeast Gulf coasts. The rainfalls have been mostly moderate, but heavy rains are reported from the central Gulf coast and around Lake Michigan.

Another depression of moderate intensity extends from Montana to the upper Rio Grande valley, which has caused light to moderate rains over the middle and north Pacific States and light rain or snow in the middle and northern Rocky Mountain region.

Between these "lows" the pressure is rising and clear skies prevail, high and rising pressure also covering the Pacific and Plateau States.

Warmer weather prevails from the lower Mississippi and Ohio valleys and the lower lake section eastward to the coast, and temperatures have fallen to the westward of this line, with freezing weather in Montana, the Dakotas, Minnesota, Iowa, Nebraska and Kansas. The lowest reported temperature, however, is 21 below zero at The Dalles, Oregon.

Clearing and colder weather will set in this vicinity tonight, incident to the eastward movement of the lake disturbance, and Saturday will be fair. The lowest temperature tonight will probably not be below 40.

HOUSEHOLD HINTS

MENU HINT
Breakfast—Baked Apples with Cream, Poached Eggs on Toast, Cereal, Coffee.
Noon Dinner—Roast Chicken with Dressing, Mashed Potatoes, Spiced Beans (Buttered), Pineapple Salad, Bread, Butter and Jelly, Coffee.
Supper—Creamed Macaroni, Cooked Tomatoes, Cheese Crackers, Ginger Bread with Hard Sauce, Milk.

RECIPTS FOR DAY.

Pineapple Salad—One can pineapple, three oranges, three bananas. Cut pineapple, oranges and bananas in small pieces, place in dish. Make a dressing, using the liquid from pineapple. Bring liquid to boiling point and thicken with one cup of sugar, egg, two tablespoons flour, mixed together. Let cool and pour over fruit.

Pumpkin Pie—Cut up pumpkin, scrape out pulp, but do not peel. Cook until tender, drain and steam dry; let cool; put through sieve; four cups pumpkin, two eggs, two cups sugar, two tablespoons flour three cups milk, one teaspoon cinnamon, one teaspoon allspice, one-quarter teaspoon ginger, two teaspoons salt. This will make two large pies.

Ginger Bread—One egg, one cup sugar, one cup dark molasses, one-half cup shortening, three and one-half cups

HOLIDAY CANDIES.

Fudge—Two cups granulated sugar, two rounding tablespoons of cocoa, one-eighth teaspoon cream of tartar. Mix well together, then add one-half cup milk.

Boil over a slow fire until the mixture forms a soft ball in cold water, stirring only at first, until the sugar is dissolved. The milk will not scorch if the fire is slow. Now add one teaspoon butter and remove from fire, then add one-half teaspoon vanilla. Do not stir.

Set in pan of cold water until cool, then heat briskly until it begins to harden. Do not turn out on the plate too soon—through beating now gives a fine texture.

If it becomes too stiff to stir and is not perfectly smooth and fine, turn out on board and knead as you would fondant. Then turn out on plate and cut into squares.

Nuts may be added just after removing from fire. A very good variation is made by leaving out the cocoa and adding nuts.

In Making Taffy, etc., for the children. If a teaspoon of vinegar is added for each cup of sugar, and the mixture is not stirred while boiling, you should have no trouble with it going to sugar. Finally, do not scrape out the pan when turning taffy onto a plate.

SUGGESTIONS.

The habit of reading with a pair of scissors close at hand is an invaluable one to the busy housewife. So often there are recipes, household hints and other odd bits of information that would prove useful, but we have lost account of what or where they are. In every kitchen there should be a scrapbook for such items as these and the more methodically they are arranged the more useful they will be.

CHRISTIAN CHURCH LEADERS COMING

In the interest of the Stewardship campaign of the Christian Church, C. Manly Morton, E. F. Smith and Miss Myrtle Ashbel, leaders in the movement will speak to the Charlotte congregation of the Christian church Sunday, both at the 11 o'clock and 7:30 o'clock, at the Y. M. C. A.

Mr. Morton has for a number of years been a missionary of this denomination in Paraguay. Mr. Smith is connected with the United Christian Missionary Society of St. Louis and Miss Ashbel is from Wilson, this State, having charge of missionary activities of this church in North Carolina.

QUEENS GIRLS WILL PRESENT A PAGEANT

The vesper service on next Sunday afternoon at the Y. W. C. A. at 4:30, will take on an interesting and unique character in that there will be presented a pageant of missionary interest by Queens College girls. It will be given by eleven young women, six of whom are student volunteers. The title is "The Voices of the Women," and the characters are: The Dreamer, Science, Mexican woman, Hindu woman, an. Hindu widow, Hindu child-widow, African woman, Korean woman Japanese woman, Chinese woman and Mohammedan woman.

WOMAN SOLICITOR.

Calgary, Alberta.—For the first time in the history of the province of Alberta a woman solicitor has been appointed by the provincial government. Miss Gretta Playter, formerly associated with a local legal firm, will in future be principally associated with work pertaining to women's organizations throughout the province.

TWO NEGROES HANGED.

Montgomery, Ala., Dec. 2. John Henry Barnett and Willis Williams, negroes, were hanged in the Montgomery county jail this morning for the murder of Davis Anderson, a merchant.

When the girls adopt the knickers there will no longer be any excuse for the fool men to hang around the windy corners.

When the weather grows too severe for the suit or the topcoat a heavy fur-collared garment such as this one will be wanted.

FULL RECOGNITION RANTED.

Washington, Dec. 2.—Full recognition of American consular officers in Germany has been granted by the Berlin Government. The State Department was advised today by Charge D'Affaires Dresel, at Berlin. With this recognition, the American Government now is functioning throughout Germany as in pre-war days.
