## SPIRIT OF PEACE TEXTILE LABOR UNIONS COMBINE

Union is Organized at Meeting in New York.

New York, Dec. 5.-Organization of the Federated Textile Labor Union, a new workers' organization, independent ace spirit took charge of the of the American Federation of Labor, was completed here yesterday at a conference committee of 50 representatives of textile unions throughout the

Leaders of the conference, it was announced, were John P. O'Connell, of Salem, Mass,; Lawrence LaBrie, of es, from the memory of battle- Philadelphia, and Russell Palmer, of North Carolina.

A national conference of the organization was called for March. Mr. O'Connell, who is secretary of the American Federation of Textile Operatives, was appointed temporary chairman of the organization, which includes six independent unions-Amalgamated Textile Workers of America; Amalgamated Lace Operatives of America; Body Brussels Weavers; Tapestry Carpet Workers; Associated Silk Workers of Paterson, N. J., and the American Federation of Tex-

A. J. Muste, one of the leaders of the new organization and former head of the Amalgamated Textile Workers, said it was the first time in the history of the textile indutry that the se to make suggestions and the large independent unions have joined to bring about co-operation between spirit in which they are made, the various organizations for the bene-

All years and things and people | crowd hasn't changed much in spirit are pretty much laike.

he last few thousands of years and probably will go ahead doing the some things and being alternately mean and pleasant until the end of

As children, we cry when we're angry, and want everything we see, only we camouflage it cleverly.

As we sit here at our desk today and look out over the holiday crowds at Ivey's, we can't help thinking how much like all other Christmas crowds they are-only, of course, due to the growth of this Store there are a lot more of them.

Then, they're buying about the same Sort of thing Julius Caesar, Cleoparta and Lincoln got in their Christmas stockings-and nothing much has changed but the pattern.

Something to eat, something to wear, the story is told.

On top of all this, a Christmas corner from their manor houses.

or in thought since William the Con-We haven't changed much during queror was a haby and cried for his daddy's pet sword. Some are mean and selfish, and want more than they give; others are unselfish and kind, and delight in giving more than they

The early Queens of England, and

as grown-ups we act the same the women members of the households of the Fourteen Century Scottish Chiefs, carried Christmas baskets to the poor. We do it too, through the Associated Charities, and brag on our "modern" methods. Of course our plan probably is best, but the spirit back of it isn't any different.

And now, if we may be forgiven for moralizing a little, we will close with the remark that the folks, since the first Bethlehem Christmas, who have gotten the most out of the great day were those who, in their abundance and comfort, took time to or a knick-kncak for the home-and remember that forgotten woman, with the forgotten children just around the

## Christmas Clovers

THURSDAY IVEY'S WILL DIS-PLAY IT'S CHRISTMAS CLOVERS, AND CELEBRATE THE DAY WITH A HOST OF SPECIAL VALUES ALL ABOUT THE STORE.

Our December Clover Day always is the banner one of the year, and all day Saturday our Department Managers could be seen going about with paper and pencil putting down the things they are going to do this THURSDAY.

#### ELECTRICAL GOODS.

Mr. Shockley want's us to announce awfully good for a child of its age. that down in his China Department he has added a full line of electric household things-such as waffle irons, toasters, percolators, stoves, heating pads and the like.

## Beating Europe

and Japan can beat the world making loys-but it remained for a Yankee in New York to get out the biggest selling dell that ever was offered to the good folks of America.

Perhaps it's quite true that Germany

This toy baby is a sizeable little trick, about 20 inches tall, weighing two pounds at birth. Besides being terribly natural in looks, it can walk after a fashion and cry for "mama" ir, a way to fool one into thinking that it is alive and in trouble.

As we say its walking wouldn't pass ver 50 per cent, but its talking is And how they have sold all over

Last reports placed the figure at one thousand gross, and still going strong. They are called Madame Hendren, and as the reader probably has suspected, Ivey's has the exclusive sale of them in Charlotte.

Like all other good things, there are imitations of the Madame Hendren in the market, but they don't bother the originals much, as those little kids aren't worried over competition, in this country, or the old doll-making countries of Europe, either.

Once again America has put it over on Germany-and we're glad of it. Madame Hendrens sell at five dollars. and act and look like a lot more than

#### Dr. Tyndall

An interesting man is coming to Charlotte Thursday night to talk at 8 o'clock in the club house of Haw thorne Lane church under the auspices of the Boy Scouts.

His name is Dr. Charles A. Tyndall and he knows a lot about ether waves -meaning wireless telegraph, invisible light, and invisible sounds-and wil tell about it Thursday night.

To make the exposition more interesting to the crowd there will be expe riments presented, like the sending of two hundred thousand volts of electric- rooviedom. ity through the human body-we don't know how much two hundred thousand volts is, but it sounds dangerous-lighting a tube two feet long and other more or less amazing stunts.

The good Doctor has a whole page of testimonials from sensible Northern people-college presidents and the like -who call him an interestingly gifted

It costs 50 cents to get in.

#### Carol Concert

Our annual Christmas Carol Concert will be given by our Choral Society in the City Auditorium Sunday afternoon, December 18, at 3:30 o'clock.

As usual, we invite the public to
