**BEAUTY CHATS**

EDNA KENT FORBES

A PRETTY NECK.

A few days ago we were talking about massaging the neck with cocoa butter to overcome the series of wrinkles so apt to appear on even a youthful throat. The cocoa butter is valuable not only for filling out these wrinkles but also for fattening a thin neck. It can even be used to fill out hollows in the shoulders, but this is a tedious process and had much better be done by exercise.

No neck is pretty if the skin is not clear in color if the neck is not held well or if it is either too fat or too thin. You can use the daily cocoa butter massage to fill in wrinkles and to

All inquiries addressed to Miss Forbes in care of the "Beauty Chats" department will be answered in these columns in their turn. This requires considerable time, however, owing to the great number received. **CHARLES D. JONES IS CHARGED WITH FRAUD**

Charleston, S. C., Dec. 21.—Charles D. Jones of Lancaster was arrested yesterday on five warrants charging him with "fraudulent appropriation and conversion" of funds of the Lancaster Mercantile Company of which he was president and general manager, in the aggregate sum of \$30,000 on various days.

With Ira B. Jones, Sr., former chief justice of the State Supreme Court as surety Jones was released on bonds of \$10,000. LeRoy Springs and John T. Stevens, respectively, president and manager of the concern at this time, made affidavits in support of the warrant.

**You Should Not Have Hollows on the Shoulders.**

help make the neck plump. You can make a fat neck slender by reducing your body until you weigh only as much as you should for your height and your age. You can make the skin fresh and clear by using a cleansing cream and by wearing only washable white material around the throat. If there are brown lines around the neck or if the skin is a bad color it is probable that tight collars have been rubbed off or irritating you, or that the dye from your dresses has been rubbed off into the pores of the skin.

If the head is not held properly the neck is apt to develop a little curve in front which is anything but attractive. There is a little bone at the back of the neck above the shoulder blades which is very sensitive and easily displaced. This often stands out like a little lump and quite ruins the neck line.

You can get this back into position by pressing it with your hands and by holding the head high. If it seems particularly obstinate osteopathy could put it into place in a very few treatments.

**"LETSGO"**

And Clean Up for Christmas

**"LETSGO" IS AN ANTISEPTIC DELIQUESCENCE SOAP**

Very seldom a name implies or stands for what the product is to perform. This is, however, true in the name "LETSGO." "LETSGO" is an Antiseptic Soap—a powerful Cleanser. Wherever applied, all dirts and stains of any character immediately LETSGO, whether it be—hands, scalp, laundry, furniture, iron or brass beds, walls, doors, floors, kitchen equipment, aluminum ware, stoves, sinks, lavatories, bathrooms, linoleum, carpets, automobiles and places where dirt, grease, corrosion or any kind of filth accumulated.

Many are the advantages that accrue from the use of "LETSGO" Antiseptic Soap in Factories, Hotels, Hospitals and homes or any public place. As in the use of ordinary Cake Soap, each individual receives the dirt and germs from the former person. "LETSGO" is never used over nor subjects the next person to germs or dirt. Therefore, "LETSGO" is not only a superior cleanser, but absolutely "SAFETY FIRST" at all times.

**THERE IS A JUSTIFIABLE REASON FOR USING "LETSGO"**

Perhaps you have noted through the Press reports the Certificates of Inspection issued by the North Carolina State Board of Health to Hotels, Cafeterias, Cafes and Restaurants. If not, the certificates can be seen by asking at any eating or rooming house. It is a pleasure for us to announce that a Cafeteria in Charlotte has the highest rating in the State, and a Cafe in Hickory, N. C. the highest in the City—BOTH USE "LETSGO" SOAP. The public should know where cleanliness is supreme. Look for "LETSGO" around the premises.

**WHERE "LETSGO" IS USED DAILY IN HOMES OR ELSEWHERE**

The dishes have the clean, snappy feeling and the foods really taste differently in your home, really does your cooking vessels and china ware, silverware, kitchen and dining room furniture look clean and snappy? Now a visit to the living and bed rooms. The original lustre is gone—pencil marks and stains are visible on the furniture, walls and doors—also the carpets and rugs show spots here and there. "LETSGO" quickly and easily returns all these disfigured and once unsightly things to their normal appearance.

**FOUNDATION FOR WILSON STARTED**

**H. M. Victor Made President and Hamilton Jones Secretary-Treasurer.**

The Charlotte chapter of the Woodrow Wilson Foundation was organized here Tuesday afternoon at three o'clock when a group of men and women interested in the project gathered at the Chamber of Commerce and named H. M. Victor, president of the Union National Bank as president and Hamilton C. Jones, secretary and treasurer of the organization.

Josephus Daniels, of Raleigh, spoke in explanation of the foundation, indicating that the movement to get public subscriptions to this Foundation will be begun nation-wide, Jan. 16, and that North Carolina is preparing to begin the campaign on that date.

He spoke eloquently of the purposes of the movement. Mr. Daniels declared that the deeper purpose in it was "to outdistance history," not to wait until the verdict of the years has been sealed upon Mr. Wilson, but to start a great country-wide movement now that will begin instantly to perpetuate his great ideals.

"It was Wilson," Mr. Daniels said, "who, coming from humble surroundings in his immature life, ascended to the leadership of the world by following certain, very definite and well-marked ideals. It was he who redeemed the war from a struggle of armies to a struggle of ideals and the thought underlying this movement is to give expression to his countryman's appreciation of him as a leader and to him also as the vocalizer of the ideals of the American republic."

Mr. Daniels spoke impassionately of his great chieftain, the fallen hero of the battlefield. "Mr. Wilson is just as truly a wounded veteran of the battle-scarred fields of France as any man who served in that war," he said.

North Carolina's share of the proposed \$1,000,000 to be raised is \$55,000. Mr. Daniels said and he felt that a State that had so much to do with starting him on his journey to the White House and to his eminent place of world leadership should be among the first States to rally heartily to an effort that proposes to immortalize him while, for a little longer, he is in the flesh.

The conference with Mr. Daniels was attended by only a few who had been invited because of their known interest in the movement and those present, as follows, were named as an executive committee at the suggestion of Mrs. H. C. Jones:

Dr. W. J. Martin, Dr. J. M. McConnell, of Davidson College; H. N. Frazier, C. C. Moore, W. C. Dowd, Heriot Clarkson, Julian S. Miller, Walter Clark, T. T. Allison, Dr. Alexander Graham, D. B. Smith, E. R. Preston, W. C. Davis, Charlie Gibson, Ramsey Linn, William Perlestein, Dr. J. R. Alexander, Mrs. H. C. Jones, Sr., J. A. Fore, Mrs. Eugene Relliey, Mrs. W. T. Shore, Mrs. E. L. Mason, Mrs. Heriot Clarkson and Mrs. J. P. Caldwell.

The decision was reached that a smaller committee from this executive committee, consisting of Mr. Victor, Mr. Dowd, Mrs. Relliey, Mr. Clarkson, Mrs. Jones and Hamilton Jones, should handle the plan of organization and take in hand the arrangements for raising the fund wanted from Charlotte.

Dr. Martin, president of Davidson College, speaking of the feeling of the movement, said the college would be delighted to be utilized in this effort. A committee to represent the institution consisting of Prof. A. Currie, Dr. McConnell, L. Hobbs, Mrs. J. R. Withers and Mrs. A. E. Robson was named at the suggestion of Dr. Martin.

Others indicated their interest in the endeavor and pledged Mr. Victor their hearty support in whatever line he might suggest to them as might bear upon the success of the undertaking.
