You can get more positive discomfort out of a shoe to the square inch than out of almost anything else under the sun to the square mile. If you don't think so, try it. That's one side of the picture. Here's the other: From the right kind of a shoe you can get no discomfort at all; on the contrary it will be a case of getting satisfaction first, last and all the time. This is exactly what you can depend upon our shoes to give you; they will give you this and nothing else, and before you've worn them ten minutes you'll agree with us.

They laid it on With a Vengeance:

Two little negro boys were arraigned
before the mayor this morning on
charge of breaking open a box of to-
bacco at the Richmond & Danville
depot. The mayor finally concluded
to let them go provided their mothers
would give them a good whipping.

The women who had thought the
matter would cost them some money
fairly jumped at the mayor's offer.

They whipped their boys in the pres-
ence of the chief of police, and ex-
cessively did they lay it on that the
officer had to order them to stop.

Then two well satisfied mothers
went off, home each leading a
thoroughly whipped boy.

Ray L. Boyce will appear at

the Charlotte opera house on March
4th. This is a good show if we are
to judge by the ovation it has re-
ceived all through the South.

A six year old son of Mr. Alfred
Kerrish, of Clear Creek township,
while playing near a burning brush
heap, his clothing caught and was
burnt all about the legs and body.

Deaths of Mr. Latif C. Johnston:
Mr. Latif C. Johnston is very se-
riously sick at his home on North
Tryon street. He was out on the
streets four days ago, apparently as
well as usual, but he was seized with
the grip. Pneumonia followed, and
his physicians say that his condition
to-day is critical, though there are
hopes of his recovery.

The Concert To Night:

The indications are that the Phil-
harmonic concert to night will be
attended by a large audience. An
exceedingly entertaining program
has been arranged. Some of the
finest voices in the State will render
the solos, while the chorus of 80
voices will do its part. From what
the News knows of the talent that
will be represented, it can safely pre-
dict a concert of unusual merit. Our
people should show their apprecia-
tion by turning out en masse. The
price of admission is only 25 cents.

They laid it on With a Vengeance:

Two little negro boys were arraigned
before the mayor this morning on
charge of breaking open a box of to-
bacco at the Richmond & Danville
depot. The mayor finally concluded
to let them go provided their mothers
would give them a good whipping.

The women who had thought the
matter would cost them some money
fairly jumped at the mayor's offer.

They whipped their boys in the pres-
ence of the chief of police, and ex-
cessively did they lay it on that the
officer had to order them to stop.

Then two well satisfied mothers
went off, home each leading a
thoroughly whipped boy.
