A Model Shoe.

You begin to find out what sort of a shoe you have bought when you wear it a bit. The test of a shoe is the wear it will stand. We call our Ladies \$3 shoe a model. It is a handsome looking shoe but that is by no means all that can be said about it. It is not only handsome looking but it keeps its good looks. If you have ever seen anything cheaper in footwear you've had an experience that we've never enjoyed—the big in quality and the little in price has never been so happily combined. This same happy combination is also found in our Ladies \$2 and \$3 shoes. A large stock of Hats and Umbrellas, Trunks, Valises, and Handbags at lowest prices.
