WHAT IS LIFE WITHOUT A FAVORITE?

The acme of perfection in a Comf of Ch ur was reached when the "Favorite" was made. It is strong light, near and durable; Combining the best qualities of others without their faults. Has a steel frame and stand; Is entirely automatic and self-adjusting while taking any position from upright to horizontal. Does not warp in wet weather; Has no ratiling or loose joints. Can be folded for storage or shipping and will last a lifetime. For camp. veranda, lawn, study or sick room it has no equal. Why buy a hammock, cot and sickroom chair when the Favorite combines all? I would be glad to have you come around and see it. I'm only asking \$5 for them, and they are well worth \$7 and are sold for that price in other towns.
