THE COTTON MARKETS.

market stands on the threshold the danger point. It follows that a side only. accessive year of deficient prowould necessitate a radical reinstruent of values. The problem is a jud the price which shall bring dement within the compass of supply. all mempts at solution are bound to manufactive empiric. The speculator canbut wark out the sum by rule of three. What will the farmer do with the opnutanity which now invites him?

The weather conditions are as follows Local rains with cooler weather is predicted in Georgia, Alabama, Mississippi, Lousiana, East Texas, Arkansas and Tennessee. Cloudy conditions prevail in the Atlantic districts and come rains reported from that section. Res tots of new cotton in Texas conthurs on a large scale.

Will be help the buyer of contracts by chaching the actual stuff or will he rather make haste to convert his com me my into cash? The question must some be answered in a decisive way. New Orleans Spots Firm Middling 85,

New York, Aug. 27.-The Liverpool market was very disappointing this morning net taking very much stock in the largest report of yesterday and only connug 11/2 to 2 while it should have been I up. The markets on this side. however, could not decline with such an avalanche of buying orders that imped into the pit by the various brokers. The market was on a paulcy scale. Excitement was at a disment and for many days today's mar-

Now Orleans, Aug. 27.-While it is goes. The dear public have at last perhaps premature to declare that the broken the chains that have been holding them in the disinterested crowd and are the real leaders at the present. m, there can be little doubt The private reports of damage backed that the outsider is trying on his fighting clothes, and that he is rather in changed the temper of the whole situation that if there are any bears now they are certainly not in sight. We The immense change in continue our advice to take profits on spects serves to emphasize that the quick advances watching the worlds visible and invisible breaks to get in the market again. And are, as they long have been, for the present at least—on the bull

THE STOCK MARKETS.

New York, Aug. 27.-Americans in Coverament weekly report rather unfavorable. Coal operators refuse to consider arbitration, President Hawley and Gould behind Gates in C. F. I.

ket holds the plum so far as interest

Philadelphia reports regular rate on first proferred will be declared on heavy buyers of Atchison. Sharp com-Frisco, Rumored A. C. P. interest made not be for 60 days. Believe stocks a offer to Heinz for all his copper hold- sale on hard spots. ings. Twenty-five roads third week in August increased 9.01. No probability rate also improbable. Stocks freely offered in loan crowd but Atchison Commerce scarce; 12 Industrials de-

clined 0: 8 20 R. Rs declined 12. Ridgely says: Southern Pacific is a purchase below 77 and its advance should be resumed tomorrow. S. P. is not likely to touch 76. The market opened so strong today that profit taking was clearly indicated however prices will probably go up again. My personal views to get out of long stocks on bulges. I dont want to be eaught nap-I us if a break comes. Still, the people in make the market say Atchison will sell at 110 within 30 days. U. P. at 125. B. & O. 120. Of course I dont mean to get out of S. P. Hold on to that. The break this afternoon looked very much like a shake out. In my judgment stocks will be a purchase on weakness tomorrow morning for a turn. We are buying S. P. every 1/8 down from 77, so I guess it wont decline very much.

Joseph says: Eries are feature in London today. Market will be feverish but higher prices will be recorded for Pacific Coalers, Steel issues and C. F. I. Keene statement will attract wide attention. He says there is no false botlum to this period of good times. We had six years of business prosperity. Readings, Eries and other coalers Strong on firm attitude taken by operators on the strike, the impression

being that miners will now see there is no hope of compromise and return London firmer 1/8 to 3/8 above partiy. to work. C. F. I. strong on covering shorts by Gates party. Content bought about 10,000. Believe Reading first will get its regular dividend at today's meeting and vote in trust be dissolved. Bank statement will probably be very poor. Look for decrease of possibly 4,000,000 in reserves. Money closer Reading. Rock Island insiders recently about 4 per cent now. Dont see how we can get any permanent bull market potition expected between I. C. and until money is more easier which will
