

NEURALGIA

We suggest curing a pain in the face by taking Scott's Emulsion into the stomach.

Scott's Emulsion is nerve food. Scott's Emulsion feeds and strengthens nerves.

For an obstinate neuralgia for nervousness, for nerve weakness take Scott's Emulsion. It's nerve food and nerve strength.

We'll send you a little to try, if you like. SCOTT & BOWNE, 409 Pearl Street, New York.

THE TRICK THAT FAILED.

How the Boy With the Marked Dollar Caught Trouble.

Mr. Carl Hertz tells a good story against himself. Like all those who traffic in white magic, he occasionally has to enlist the services of a confederate. In Nashville, Tenn., he engaged the co-operation of a youth who was hanging around the stage door.

It was late in the evening that Hertz proceeded to the trick of which he had laid the foundation. He saw that the boy was in his place and proceeded to mystify the people with a marked silver dollar. He palmed it, swallowed it, passed it through tables and bottles, fired it through a pistol into an orange and performed various other astonishing feats in his own inimitable way.

KIDNEYS MOST IMPORTANT ORGANS IN THE BODY.

The kidneys may get weak or diseased from a thousand and one causes; from overwork, worry, a simple cold, from lifting or a strain, excess, high living. Many of our great men die from Bright's Disease because so many overwork themselves.

Stuart's Gin and Buchu give energy, life and power to the kidneys. They cause the kidneys to purify the blood, to make it redder and healthier and more nourishing. Puts new life into your body, new color into your blood, new ambition into your mind, new use into your muscles.

Thoroughly tested for twenty years, Stuart's Gin and Buchu, pleasant to take. You can rely on this grand cure for weak kidneys. Free medical advice given on kidney trouble. Stuart Drug Co., 34 Wall Street, Atlanta, Ga.

INDEPENDENT WASHERWOMAN.

Refuses to Accept \$40,000 for Her Property When Rich Man Want It.

A washerwoman who wears woden shoes when she wears any at all has refused to convert her modest belongings into \$40,000 cash. She wouldn't know what to do with a fortune if she had it, she says.

The woman is Mrs. Margaret Sheeler, one of the pioneer settlers in the southern part of Lake county, and one of the most picturesque characters in the community. In the summer she goes barefooted and in the winter her rough wooden shoes are sufficient.

Efforts of rich men to buy the property and Mrs. Sheeler's refusal to accept the liberal sums offered for it have brought the woman into a prominence she resents. In the simplicity of her nature she cannot understand the desire of others to possess her land, and has chained a vicious dog at the entrance of her house to keep visitors away.

The first attempt to buy Mrs. Sheeler's place was made several months ago. Several men who wanted to build summer residences on it offered her \$1,000 an acre for 10 acres. The farm is situated a mile north of the Onwentsig Club, on the Green Bay road, and on account of its desirable location it was the intention of the prospective purchasers to lay it out into a private park.

"I do not want to sell my place," she said when the visitor introduced himself. "But I am offering you \$40,000 for it. That is much more than it is worth."

"It is worth so much to me that I shall keep it," Mrs. Sheeler replied. "You might as well move along."

TOT CAUSES NIGHT ALARM.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Smiler of Crittenden, Ky. "It seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve."

The practice has been filed in the Circuit Court.

OLD SOLDIER'S EXPERIENCE.

M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health."
