Logan County Rivals Fought It Out With Knives.

The men were employed by a leading lumber company. For several weeks Miss Mary Courtenay Oates will they had been at outs because both hot words passed. Each drew a knife, it is stated, and they plunged at each other like demons. Chambers was the first to fall, he having his body punctured in half a dozen places. The keen blade of his antagonist's knife at one stroke almost disemboweled him. Before he fell, though, he inflicted injuries to Thomas that will, it

seems certain, cause his death. Thompson attempted to escape, but fell less than 200 yards from the scene of the tragedy from loss of blood. Chambers is from one of the best families in this county and had been employed as bookkeeper. The tragedy is one of the bloodiest known in Logan step should be towards the treatment of county in years.

DISLOCATED HER SHOULDER. Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon to get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a boitle of it, which he did. It quickly relieved her and enabled her to sleep, which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by R. H. Jordan &

## Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order

or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the

urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.
