#### When All Other Remedies and Physicians Fail.

Instant relief and refreshing sleep ings with Cuticura Ointment, purest of emollient skin cures, to be followed in severe cases by mild doses of Cuticura Resolvent Pills. This is the purest, sweetest, most speedy, permanent and economical treatment for torturing, disfiguring, itching, burning, bleeding, scaly, crusted and pimply skin and scaly humours, with loss of hair, of infants and children, as well as adults, and is sure to succeed when all other

remedies and the best physicians fail. The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurement, as in pimples and ringworm; the awful suffering of infants, and anxiety of wornout parents, as in milk crust, tetter and salt rheum, - all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Cintment and Pills are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard
