THOUSANDS HAVE BEEN

of Chronic Diseases right here in Virginia with::

PIED MONT CONCENT RAT EDIRON and ALUM WATER

which is a Mineral Water Remedy that removes the cause of the trouble, and puts the system in a natural condition.

The 20 different minerals composing it are proportioned by the uncrring hand of Nature, and being 160 times as strong as the natural water the system is brought under its influence more quickly.

Most any kind of medicine, especially those containing stimulants, make you feel better while taking it, but we honestly tell you that our Remedy does not cause you to have false hopes, as your condition is gradually improved from the very first dose.

If you have been sick a long time, no doubt you are beginning to look upon it as a serious matter, and you are the very person we can cure, be-

cause you want to be cured. A thorough treatment of our Concentrated Water will not cost you as much as one-half the railroad fare to some mineral spring, and by its being in Concentrated form, your system would be put in a healthy condition before the natural water would have made a start towards relieving you.

We want you to have as much

confidence in this Remedy as we have, and you can, for you well know that the hundreds of Physicians who indorse it, would not, if it did not have genuine merit. Doctors have been our best friends. They help us by prescribing it, and the Concentrated Water helps them by curing their patients. Such Diseases as Indigestion, Rheumatism, Kidney and Bladder Troubles, Catarrh, Female Complaints, Stomach and Bowel Troubles, Torpid Liver, Scrofula and all forms of Blood Diseases are being cured every day by this Nature's Remedy. Should you have any of these diseases and will give the Water a thorough trial, we will refund the money if results are unsatisfactory. It costs less than 3 cents a day to use it, as a teaspoonful in a half
