

NEW CATHOLIC HALL.

A Well Appointed Structure Now Being Erected.

The new Catholic Hall was taken through St. Peter's Catholic Church Hall by Father Francis this morning.

The building, a commodious two story structure, is being erected on First street, just in rear of the church.

As you enter the building, on the first floor to the right is a large airy room that has been arranged for Sunday school purposes.

There are a number of exits in case of fire or other accidents and on the whole the building is well arranged and strictly first class.

The Catholic bazaar which will begin the 14th of July will be one of the special attractions for the heated term.

Mr. James W. Osborne Wins Big Fight Before New York Court.

Mr. James W. Osborne, formerly Assistant District Attorney of New York, and a native of this city, has just won a \$2,000 suit in the Supreme Court of New York State.

The New York Times says: Henry Rosenberg, for many years in the employ of Bierman, Heidelberg & Co., a dry goods firm, doing business at 280 Broadway, yesterday recovered a verdict for \$22,000 damages against Isaac N. Heidelberg, a member of that firm, but now a member of the firm of Heidelberg, Wolf & Co., for breach of contract.

Mr. Rosenberg, who was represented by ex-Assistant District Attorney James W. Osborne and Rosenberg & Proskauer, had been in the employ of the first-mentioned firm for many years.

He had commenced at a salary of \$1,200 a year. His salary was steadily increased until he received \$12,000 a year. He considered his services were worth more, and asserted that in January, 1899, Mr. Heidelberg entered into an arrangement to give him 25 per cent of the net profits for that year and subsequently unless the agreement were terminated.

Mr. Rosenberg, who was represented by ex-Assistant District Attorney James W. Osborne and Rosenberg & Proskauer, had been in the employ of the first-mentioned firm for many years.

Lieut. Smith Appointed. General Order No. 1, issued from Statesville, reads as follows:

Statesville, June 13, 1903. First Lieutenant Geo. L. Lyon and Second Lieutenant Burton H. Smith are announced as aides-de-camp to the Brigadier General.

To Dispose of Assets. A notice is given to the stockholders of the Greensboro Female College Association that a meeting will be held July 1st "for the purpose of deciding and acting upon the matter of the best method of disposing of the assets and effects of the Association."

A COSTLY MISTAKE. Blunders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle yet thorough. 25c. at Burwell & Dunn Co.'s drug store.

"BEAUMONT," A Beautiful Summer Home at Flat Rock, N. C., is Now Offered for Sale

FLAT ROCK is situated on the broad plateau at top of one range of the Blue Ridge Mountains, about twenty-five hundred feet above the sea, and about twenty-five miles Southeast of Asheville, and four from Hendersonville, on the Asheville and Spartanburg Division of the Southern Railway.

Its beginning as a summer and health resort dates back about sixty years, when several French and English gentlemen, owning lands in South Carolina and Georgia, attracted by the natural beauty and delightful climate of this region, built their summer homes and villas here.

There are now in the neighborhood of Flat Rock some fifty or sixty of these beautiful old estates, many of them still occupied as summer homes by wealthy people of the South, and some of them by Northern people who have bought of former owners.

This fine property which we are now offering is known as "The Andrew Johnson place," and is one of the very few of the fine old estates at Flat Rock that can be purchased.

The property comprises two hundred acres of land about fifty of this being rich bottom land, with a substantial stone residence of nine large rooms, in first-class condition, located on a high knoll and surrounded by a grove of beautiful white pines, with shrubbery of rhododendron, laurel and holly, and approached through an avenue of magnificent white pines early half a mile in length. Other buildings are large stock barn, carriage house, tenant houses, etc. The purest of spring water is supplied to the house by hydraulic ram.
