

News Gleaned From North Carolina From Manteo to Murphy

A telegram was received yesterday at Raleigh from Lieutenant Governor Turner to the effect that he cannot go to Raleigh to sit with the State Board of Education until Saturday.

A letter was received at Winston from James Knox Taylor, supervising architect of the treasury department at Washington, giving notice that the work of construction on the public building there had been withdrawn from the market, and bids therefor will not be received July 14th, as first announced.

The first cotton bloom of the season was taken to Henderson Wednesday by Mr. James Hoyle. Daniel Eaton (colored) sold a bale of cotton to Mr. D. Y. Cooper at 12 1/4 cents, said to be last of the season grown in Vance county.

Rev. Dr. Gilbert Higgs preached his first sermon at Wadesboro as rector of the Episcopal church Sunday, and made a very fine impression.

The old Redwine home at Albemarle, owned by the Wiscasset mills and occupied by George W. Gaddy, was burned Wednesday. The house was insured, but not the contents.

Among those who have just successfully passed the required mental examination for cadet midshipman at the Annapolis Naval Academy was Mr. Thomas M. Pittman, Jr., of Henderson. He was appointed to the Naval Academy by Congressman Pen, and while nothing else was expected of the young man it will be pleasing to his friends to know that he has passed a successful examination and will enter upon his studies and the duties involved in a naval career.

Major Joe Morehead, president of the Guilford Battle Ground Company, is fairly beaming over the prospect of a grand fourth of July celebration at the Battle Ground next Saturday. The splendid monument to the heroes of King's Mountain, one of the three to be unveiled Saturday, has arrived. Col. W. A. Henderson, chief of the annual of the Southern Railway, a native of Tennessee, and descendant of two prominent participants in the battle of King's Mountain, will deliver the principal address, it being an historical sketch of that battle. The State Association of Letter Carriers, which will meet here in second annual session next Saturday, will attend the Battle Ground celebration in a body.

Eight of the thirty-two young men who applied for license to practice dentistry in North Carolina failed in their examination before the State society. STILL WOULD YOU? But, after there's something still, Quite guardedly you've kept it. If nominated, Grover C. Next year, would you accept it? —Chicago Tribune.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail.

Address Dr. Kilmer & Co., 107 N. 3rd St., Binghamton, N. Y. When writing, please mention this generous offer in this paper. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Nature Provides For the Ills of Mankind

AND WHO DOES NOT PREFER TAKING TREATMENT FROM SUCH A SOURCE?

THE GREAT NATURAL MINERAL WATER REMEDY, men and women from all over this country have been cured of Chronic Diseases after man-made medicines failed. Not one of these persons had to leave home to take the treatment. It is no longer necessary to spend time and money by going to the Springs. The Water is reduced to such a degree that 8 ounces of it equals 10 gallons of the Natural Water, and produces much better results than if this quantity was used at the Springs. The Concentrated Water contains 20 different minerals, which are nearly identical with those composing a healthy human system. When a person is sick, it shows that some of these important minerals have escaped, and health cannot be expected until they are replaced. There is no treatment known to science which restores lost vitality like Piedmont Concentrated Iron and Alum. If you have two or three complaints, it will cure all of them just as easily as if you had only one, for it gets into your system thoroughly and gives to every organ of the body that which is needed, whether it be iron, magnesia or aluminum, etc. Should there be several sick ones in your family, give the Concentrated Water a trial for your own disease—this will prove what we have said; then let them all drink at this Celebrated Mineral Spring, which you have placed under your own roof. If we cannot benefit you your money is not wanted, but we have yet to see a person give it a fair trial without being cured or greatly benefited.

Such diseases as Indigestion, Rheumatism, Kidney and Bladder Troubles, Catarrh, Female Complaints, Torpid Liver, Stomach and Bowel Troubles, Scrofula and all Blood Diseases are being cured every day by this Remedy, and we want every person in need of such a treatment to give it a trial.

HENRY BLOUNT'S CAREER.

Tarheel Ward Painter Comes Very Near Going On the Stage.

Mr. Henry Blount, of lecture platform note gave the Sun a most enjoyable call yesterday afternoon, says the Salisbury Sun. With a delightfully interesting story, he amused the Sun force by a rehearsal of his experience while a young man. Mr. Blount said that in his younger years he was seized with a desire to go upon the stage. He said he believed he could make the greatest actor on the American boards and wrote frequent letters to Edwin Booth then in New York. Booth paid no attention to them and finally Mr. Blount went to New York to see him. Finding his quarters, he asked for admission which was refused. Mr. Blount insisted upon being given a chance to see Booth and the tragedian finally allowed Blount to see him. "What do you want?" said Booth very gravely. "I want to join your theatrical company" was the modest reply. "And what can you do," Booth again asked. "I am a greater actor than you are," the aspiring fellow said, "for you can do tragedy only, while I am just as good as a comedian." He "doesn't lack cheek, if he does talent," Mr. Booth remarked to a by-stander. "Let me hear you give Mark Anthony's oration over the grave of Caesar." And when Mr. Blount had finished this, the great actor warmly grasped his hand and congratulated him. "Now what can you do in comedy?" "I can beat Joe Jefferson in Rip Van Winkle," Mr. Blount stoutly declared. "That's Mr. Jefferson, sitting there." Mr. Booth ejaculated, and Mr. Blount gave something from Richelieu which completely captured the great tragedian and the equally great comedian.

Booth immediately offered him 3rd place in his company, and he came back to North Carolina the happiest mortal on earth. He told his home people and his sweetheart, the latter especially discouraging his histrionic hopes. "I thought then that a man never loved but once" Mr. Blount quietly remarked, "but I have loved seven hundred times since and they talked me out of it. Booth frequently told me that I had missed a fortune by missing the stage. He wrote me friendly letters up to the time of his death. I did some newspaper work in New York and once attended a great concert and was persuaded to write it up. The editor of the World pushed the production aside contemptuously, the editors of two other papers did the same and I was asked to give it to the Tribune. I said I wouldn't submit it to a radical paper, but did finally and it so happened that the musical critic was away and my article was printed. I was then enabled by reason of a Tribune check to go everywhere in New York. Afterwards, I returned to Wilson hoping to make the Mirror as big a paper as the Tribune. After fifteen years, I gave up the idea." Mr. Blount has other interesting things to relate of his eventful life and they would fill columns too.

FIGHT WILL BE BITTER.

Those who will persist in closing their ears against the continual recommendation of Dr. King's New Discovery for Consumption, will have a long and bitter fight with their troubles, if not ended earlier by fatal termination. Read what T. R. Beall of Beall, Miss. has to say: "Last fall my wife had every symptom of consumption. She took Dr. King's New Discovery after everything else had failed. Improvement came at once and four bottles entirely cured her. Guaranteed by Burwell & Dunn Co. druggists. Price 50c. and \$1.00. Trial bottles free.

WIFE REMOVES HIS APPENDIX.

Heroic Operation Performed By Mrs. Logan On Husband.

Bethany, Ills., July 1.—With her husband dangerously ill from an attack of appendicitis, 800 miles from medical aid, the wife of Dr. W. H. Logan, of this city, acting under the instructions of the feeble patient, before he succumbed to the anesthetic, cut away his vermiform appendix, performing the dangerous operation so successfully that he soon rallied and she was able to have him conveyed to a point where surgical aid could be had. Letters received from China today announced that Dr. Logan has entirely recovered from his attack, returned to his station and resumed his work. Dr. Logan and his wife have been missionaries in China for a number of years. They were forced to flee from the country during the boxer troubles, coming to Bethany, where the physician practiced his profession until peace had been restored in the Celestial empire, when he returned to his former station in China and again took up the work of a missionary physician.

Mental

Strain Affected General Health.

Doctor's Doses Weakened Stomach.

Dr. Miles' Nervine Cured Me.

Dr. Miles' Restorative Nervine brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following: "I have always been healthy with the exception of a touch of rheumatism since my age came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble commenced with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nervine and Tonic I was up about the house. I continued their use until completely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nervine with splendid results in a case of paralysis and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I wish you continued success." —Mrs. FRANCES COFFMAN, Dayton, Va.
