Democratic Principles.

The country is ripe for a return to Democratic principles. The extravagant policy of the Republicans, coupled with the revelations of fraud - in the postal department, have created much lissatisfaction with the rule of the party in power-a discontent far more general than is realized by the Republican press.

These opportunities the Democrats have. But where is the candidate? The name of Cleveland is today the only one which stirs any general enthusiasm. Yet it is also the name which provokes the bitterest opposition. Bryan is an impossible person. Hill and Olney have made small headway with the people.

Judge Parker, whose Southern trip has been widely misunderstood, since it had in fact no political aim or significance, is regarded favorably by many Democrats. Whether he is exactly the man to measure swords with Roosevelt, however, is as yet a matter of discussion .- Atlanta Journal.

County. Having many questions asked as to the disposition of the \$200,000 to be Livery Teams, be voted on at the election on Auanswer to all these questions that the money derived from the sale of these bonds will be used in the extension to the county line of the roads These will take all the leading roads in the county. None of this fund will

be used in belt lines. There is about 100 miles of roads yet to build to complete the road system to the county lines.

In answer to those who think this issue of bonds will increase the tax rate we say the tax rate will not be increased. The present levy of 25 cents on the \$100 will pay the interest on the bonds and leave a surplus of \$25,000 or \$30,000 with which to keep CORNER STONEWALL AND COLthe roads in repair.

Some of the roads now need repairing and it is of vital importance that the extension of roads be completed as early as possible so more attention may be given to the repair work. The county now has all machinery to do this work, hence no expenditure for new machinery will be With this bond issue the roads can

in our opinion be finished in four or not more than five years. Very respectfully, J. H. WEDDINGTON,
