

LENOIR COLLEGE GIVES RECITAL

A Large Audience Hears the First College Recital. A Catawba Boy Trained in Charlotte, Receives Promotion—Hickory Booming.

(Correspondence The News.) Hickory, N. C., Sept. 23.—The first recital given this fall at Lenoir College was held Monday night in the big auditorium and was enjoyed and appreciated by all present.

Mrs. Hughson, of Chicago, whose letter follows, is another woman in high position who owes her health to Lydia E. Pinkham's Vegetable Compound.

"Money seemed but poor and paltry compared to health, and yet a few dollars invested in Lydia E. Pinkham's Vegetable Compound brought me good health. I suffered for several years with general weakness and bearing-down pains, caused by womb trouble. My appetite was frightful, and I would lie awake for hours, and could not sleep, until I seemed more weary in the morning than when I retired. After reading one of its advertisements I decided to try the merits of Lydia E. Pinkham's Vegetable Compound, and I am so glad I did. No one can describe the good it did me. I took three bottles faithfully, and besides building up my general health, it drove all disease and poison out of my body, and made me feel as spry and active as a young girl. Mrs. Pinkham's medicines are certainly all they are claimed to be."—Mrs. M. E. Hughson, 347 E. Ohio St., Chicago, Ill. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

If the slightest trouble appears which you do not understand, write to Mrs. Pinkham at Lynn, Mass., for her advice, and a few timely words from her will show you the right thing to do. This advice costs nothing, but it may mean life or happiness or both.

RECITAL AT LENOIR.
Event Of the Season—Corner-Stone of New School Building.
Hickory, N. C., Sept. 22.—The most delightful entertainment of the season was given at Lenoir College last night. The teacher of elocution, Miss Walter, of Loudinville, Ohio, with the teachers of vocal and instrumental music, Mrs. Chadwick and Miss Little, gave a recital of a high order of excellence. The impersonations of Miss Walter together with the singing and instrumental music of Mrs. Chadwick and Miss Little sent the audience into transports of rapture. Notwithstanding the fact that there were other attractions in the city, the large college auditorium was filled with an appreciative audience. new saw and the rebuilding of the wood work being all that is necessary. Sam Massey, colored, who was let off the chain-gang last Friday, came through here on Saturday. He stole a watch and a suit of clothes from Henry Walters, colored, who lives on Mr. H. Howie's place, then came on to Jim Ivey's on Mr. H. L. Price's place, and stole a razor and another suit of clothes. This happened in broad-open day light. An officer was phoned for on Sunday but failed to locate him. He is still at large and when last heard from was going towards South Carolina.
Mrs. Emma Worley spent Tuesday with Mrs. Palmer Dalrymple.

The funeral of Mr. Lovie Price, the son of ex-Sheriff Price, was conducted by Rev. Mr. H. Hoyle at Weddington church on last Thursday in Wardlaw, the home of the deceased. No more universally sympathetic congregation ever met together in any church. The remains were interred in Union Church Cemetery at which place they were followed by one of the longest processions ever seen in this part of the country.

MORE RIOTS.
Disturbances of strikers are not nearly as grave as an individual disorder of the system. Overwork, loss of sleep, nervous tension will be followed by uterine troubles unless a reliable remedy is immediately employed. There's nothing so efficient to cure disorders of the Liver or Kidneys as Electric Bitters. It's a wonderful tonic, and effective nerve and the greatest all around medicine for run down systems. It dispels Nervousness, Rheumatism, Neuralgia and expels Malaria germs. Only 50c, and satisfaction guaranteed by Burwell & Dunn Co., druggists.

SOUNDS LIKE "CUSSIN'."
HELEN.
"Helen of Troy," the ancient passion poets called the jade.
But if of those hot old times
Mera history
Could but open her jaws
And talk,
I'd bet three dollars
To a bunk of ice
That when King Menelaus woke,
And found his spouse's surcingle
And her sandals
Gone,
And learned that she had packed
Her duds,
(What few she used),
And skipped the town
With Paris,
He threw the window up
With crash and bang,
And out upon her guilty trail,
Which even yet was lat'ring
The son-kissed sea.

DECIDE YOURSELF

The Opportunity is Here Back-ed by Charlotte Testimony
Don't take our word for it. Don't depend on a stranger's statement. Read Charlotte endorsement. Read the statements of Charlotte citizens. And decide for yourself.
Here is a case of it: Thomas G. Northey, painter, of 813 North Church street, says: Back-ache bothered me for many years and I have often had to lay off from work because of a weakness which kidney disorders brought upon me. I happened to hear of Doan's Kidney Pills and got a box at R. H. Jordan & Co.'s drug store. I had begun to believe there was no relief in store for me, but since taking the pills I have not lost a single moment of work, my back has been free from pain, and I have been stronger in every way. I am glad to have an opportunity to tell others of my experience. For sale by all dealers; price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

Will Steam 13,900 Miles. Tacoma, Wash., Sept. 23.—The steamship Texan, owned by the American and Hawaiian Steamship Company, of New York, left Tacoma last night on a record-breaking voyage.
Barring accidents, she will steam from the Tacoma docks to the Delaware Breakwater without stopping her machinery. She expects to make the voyage of 13,900 miles without touching land.
Capt. Morrison expects to make it in 50½ days. He has loaded 4,100 tons of coal, which would constitute a cargo for the ordinary colliers loading her. Ordinarily vessels going to New York would call at Caron and Montevideo. The Texan may possibly be forced to stop one night in the Straits of Magellan.
The Texan now holds the steaming record from New York to San Francisco—forty-seven days and five hours. This single trip will eclipse the famous voyage of the battleship Oregon from the Pacific to the Atlantic during the Spanish war.
The Belgians are great pigeon breeders, and one of the choicest birds of this kind is the true Antwerp carrier, which is comparatively rare.
