THE ONLY AFTERNOON ASSOCIATED PRESS NEWSPAPER IN THE STATE OF NORTH CAROLINA

She and Nan Patterson, Who is Primus Williams, for indulging in disthe Office of Secretary of State, This Morning, Capital Increased to \$100.000. Period Extended From 30 to 60 Years.

> Experiment Farm to be Operated by the Agricultural Department. Mr. and Mrs. Fuller, Entertain Mr. W. W. Fuller and Wife, of of New York City.

> > (Special The News.)

Raleigh, Dec. 9.- A charter was issued for the Rocky Mount Guano Co., game by which he captured Bass at The principal incorporators are H. E. Brewer, E. H. Ricks, E. L. Daughtridge.

The amendment for the charter of from under the cars, which he did the Southern Pants Co., of Charlotte, ried to police headquarters and locked the capital from \$50,000 to \$100,000 and extending the period of incorporation from 30 to 60 years.

The State Board of Agriculture today appointed William Dunn of New Bern. A. T. McCollum of Red Springs of the board and State Chemist Kilgore and State Horticulturalist Hume a committee to confer with representatives of the East Carolina Fruit and Truck Growers Association for the location of an experiment farm for the strawberry and truck section, the farm to be ourchased and operated by cultural Department. With this end in view the experiment farm conducted for some years near Red Springs will be discontinued. The board also ordered that a test farm be purchased in Transylvania county for experiments in apple growing and other western fruits. The cost, \$2,000. The farmers in that section subscribed one-fourth of the amount. The board contemplates the establishment of still another farm in the near future for the special purpose of experimenting in the breeding of the best cattle. It is expected that this will be located in Wake county/and will be run in connection with the A. & M. College. The board is in session at the college disposing of business in connection with their positions as trustees of the college. Prof. E. McK. Goodwin of the Deaf and Dumb Institute at Moregantan who -The cotton receipts at the local is here, says there is now over 250 stuplatform today amounted to 57 bales at dents registered. The family if Geo. 7 1-2 cents. or the same day last year King who lives at 522 North West street, were in a state of great excitement yesterday and last night over the fact that King left home for a hunt Tuesday and nothing had been heard from him since. However news has come from Pine Level, this county, that FOUND DEAD IN BED he is there and will return home at once. Mr. and Mrs. T. S. Fuller entertained last night at their handsome residence on Hillsboro street in honor of Mr. Fuller's parents, Mr. and Mrs. W. W. Prominent Merchant, of Monroe, Fuller, of New York, M .: Fuller being the well known general counsel for the American Tobacco Company. There were a great number of guests and the affair was one of the most brilliant of the season. And was one of quite a round of functions that are being given in honor of the distinguished visitors during their stay here. An elaborate bazaar opens in this city on the 13th inst for the beneat of the building fund if the church of the Good Shepherd. It is estimated that it will yield robably \$1,060. The money is be completed in the early summer of 1905. It has been in progress of erction for five years, is a splendid granite structure and will be one of the finest church edifices in this section. The corner stone was shipped from the Holy Land, having been selected there by the rector, Dr. I. McK. Pittinger.

### YOUNG CHILD BURNED.

Little Cleone Hannon Has Narrow Escape Standing Before Grate.

The one year old daughter of Mr. and Mrs. W. J. Hannon, who live on North Davidson street, was seriously burned this morning while standing before a grate and the mother also painfully burned her hands in putting out the flames which would otherwise have resulted in the death of the child.

At 8 o'clock Mrs. Hannon stepped out of the sitting room and during her absence from the room the little girl, Cleone, came in and it is supposed began playing about the fire.

The first that the mother of the London, Dec. 9.-Eleven fishermen child knew of the danger which threatened the life of her child was when were drowned today in an attempt to she heard the loud screams of the lit- assist the Norweigian Steamer Antle one and rushing into the room she glia, from Hamburg for Sunderland, Edward Clark Has Played a Varied found the child writhing in agony and which was wrecked on the rock near the flames enveloping her body from Newbiggin, Northumberland, head to foot.
