

UNION BETWEEN NORWAY-SWEDEN NOW DISSOLVED

Declaration Issued Today That
Norway and Sweden Can no
Longer Exist Under One King.
Dissolution of Union Pending
for Some Time.

Strong Protest Issues From Stock-
holm Over Government's Act.
Sweden is a Protectionist and
Norway Stands for Free Trade,
the Reason.

By Associated Press.
Christiania, Norway, June 7.—Storthing
has declared the union between
Norway and Sweden under one king
to be dissolved, and the king had
ceased to act as king of Norway.

Storthing further empowered the
present State Council to act as the
government of Norway until further
order, and to exercise the power heretofore
appertaining to the king. Dis-
solution of the union has been pend-
ing for some time, and had its growth
in the desire which grew stronger as
time passed for the establishment of
separate consular systems for the two
countries.

The king recently vetoed the meas-
ure providing for separate consular
representation and the Norwegians
maintained that by so doing and partly
by his absence from Norway the king
had suspended his rights and duties.

One of the causes for the desire for
separate consular systems was the fact
that Sweden is a protectionist coun-
try, and Norway is for free trade,
and also because of Norway's more
extensive sea trade and other diver-
sities of commercial interests.

Protest From Stockholders.
Stockholm, June 7.—King Oscar sent
the following telegram to Premier Mil-
ner:

"I have received the communication
of the Council of State and record a
most decided protest against the
method and action of the Government."

FUNERAL OF GEN. BOYNTON.

Government Pays Full Military Hon-
ors to the Distinguished Citizen and
Ex-Army Officer.
Washington, June 7.—General Henry
Varnes Boynton was buried today in
Arlington National cemetery with dis-
tinctive military and civil honors. Al-
though a civilian at the time of his
death, he was accorded a funeral be-
fitting an officer of the rank he at
one time held in the United States ar-
my that of brigadier general. The fun-
eral services occurred at New York
Presbyterian church, conducted
by Rev. Wallace Radcliffe and partici-
pated in by numerous representa-
tives of the Society of the Army of the
Cumberland, the Loyal Legion and the
Gridiron Club, in all of which organi-
zations General Boynton had for many
years been a leading spirit.

The funeral services were unostenta-
tious, being in strict accord with the
wishes of the deceased. The church
services consisted principally of a
eulogy by Dr. Radcliffe and the sing-
ing of two hymns by the Gridiron
Club. The floral tributes were many
and of varied designs. Two troops of
cavalry escorted the remains to their
resting place in historic Arlington.

As the funeral cortege passed Fort
Myer a brigadier general's salute of
seven guns was fired and the last mili-
tary honors were rendered by a volley
over the distinguished soldier's grave.
General Boynton, up to within a few
weeks of his death, had been president
of the board of education of the Dis-
trict of Columbia, and as a tribute to
his memory the public schools closed
and flags on all public buildings were
hoisted at half mast.

Liquor Men in Session.

Chicago, June 7.—The annual con-
vention of the National Liquor Dealers
Association began today, with six hun-

business interests and to present new
ideas for improvement of the trade.

Card of Thanks.

I take this method of extending my
heartfelt thanks to all that manifested
such a deep interest in assisting in
the burial of my deceased wife, and
for the warm sympathy extended to
me in the greatest trouble of my life.
And especially do I thank all for the
many beautiful flowers sent as a token
of love and respect for her. She was
a great admirer of flowers, and was
always delighted during her life time
to arrange and send them as a token
of her love to the burial of others,
not only her friends and kindred, but
even those she was not personally ac-
quainted with.

Prospects For Settlement Are Bright-

By Associated Press.
Chicago, June 7.—The prospect for
a settlement of the teamsters' strike are
brighter, a new committee being ap-
pointed by the Teamsters' Joint Coun-
cil to negotiate with the Employers' As-
sociation, which is willing to con-
fer with any committee having power
to act. At headquarters of the strikers
it is said, however, that unless every
demand is conceded the new committee
cannot settle the strike.

RENEWED ACTION GENERAL AGENTS NOW FORECASTED

General Agents of Equitable Life
Assurance Society Gathering in
New York, Which May Mean
That Further Concerted Action
May Take Shape.

Senator Depew and Vice Presi- dent Wilson Examined by Su- perintendent Hendricks. Gov. Higgins Declines Chairman- ship.

By Associated Press.
New York, June 7.—The possibility
of further concerted action by the
general agents of the Equitable Soci-
ety, who had a meeting in this city sev-
eral weeks ago, and adopted resolu-
tions of censure against Hyde, was
forecasted today. A dozen of the gen-
eral agents from widely separated
States were seen about the Equitable
building. All said they were on vaca-
tion, and that as their advances had
been cut off they had come to New
York to learn "where they were at."
Senator Depew and Third Vice-
President Wilson were examined by
Superintendent Hendricks today.
Hendricks hopes to finish the inquiry
this week, but the report will not be
submitted to Governor Higgins before
the middle of the week.
It is learned positively that the of-
fer of the proposed chairmanship of
the society to Gov. Herrick has been
declined.
It is understood that the resignation
of Melville E. Ingall as a director was
received today.

NEGRO WOMAN CUT.

By Man Who Was Trying to Collect
a Debt.
A very serious cutting scrape took
place in the eastern section of the city
yesterday evening. The parties to the
cutting were Rufus Johnston and Fran-
ces Johnston.
It seems that Johnston went to the
house of the woman to collect a debt.
Trouble ensued in which the woman
was severely cut across the hips with
a razor. The attending physician had
to take ten stitches in order to close the
wound.
As soon as the police heard of the
difficulty they went in search of John-
ston. Up to the hour of going to press
nothing had been seen or heard from
him.
The woman is in a right serious con-
dition but will recover.

NEGRO CUTS WHITE MAN.

Cassie Graham Slashes Henry Russell
With a Knife.
Henry Russell, a white man and Cas-
sie Graham, a negro, both work for
the Cole Manufacturing Company. It
seems that Graham is very ticklish and
that Russell has had considerable fun
at the negro's expense.
Yesterday evening, after work hours,
the men left the factory together. They
had only gone a short distance when
Graham pulled his knife and com-
menced slashing Russell. Before the
men were separated Graham had in-
flicted four deep gashes on Russell's
back.
Mrs. McManaway and Hawley were
called in to dress his wounds. Graham
has not been seen since the trouble.

MAN MURDERS WOMAN.

Young Man Who Was Drunk Killed
Victim on Her Own Property.
Reidsville, N. C., June 7.—News has
reached here of a brutal act of a drunk-
en young man at Woodbine, just across
the Virginia line.
Mrs. Pink Goode, a respectable wo-
man, was shot to death in her own
yard, the shot going through her chest.
Otto Dehart was arrested and given
a preliminary hearing. He was charged
with the crime and sent on to the grand
jury without bail. It appears that De-
hart was drunk and went to the Goode
home and shot a chicken, and when
Mrs. Goode protested against his con-
duct he put another shell into his gun
and fired on her, killing her almost in-
stantly.
He then left, but was later arrested
while making his way to West Virginia.
No one saw the shooting except some
very small children of Mrs. Goode. Her
husband was to work at a saw mill
some four miles away.
Dehart claims that the shooting was
accidental. He is a young man about
21 years of age. There is considerable
excitement, but no danger of violence.

the Visiting Monarch at Great
Britain's Capital. A Notable
Procession.
By Associated Press.
London, June 7.—King Alfonso today
visited the city of London and enjoyed
the hospitality of the Lord Mayor and
the corporation at Guild Hall. For
the first time since His Majesty's ar-
rival in England, the weather is suf-
ficiently fine to enable him to appear
in an open carriage, and for the first
time anything in the nature of really
large crowds gathered to welcome
him.
From Buckingham Palace to the
historic Guild Hall the royal proces-
sion passed under a continuous arch-
way of flags and flowers, both sides of
the route being hedged by deep rows
of sightseers whose welcome to the
young monarch was of the heartiest
description. Seven thousand troops
lined the route to Guild Hall. The
procession returned to the palace by
Victoria Embankment, thus giving the
general public ample opportunity to
witness the royal procession.

SPECULATION IN COTTON.

Discussed By the International Con-
gress Today—Much Opposition Re-
vealed.
By Associated Press.
Manchester, England, June 7.—The
International Cotton Congress today
discussed the question of speculation
in cotton. Baron Carloni, of Italy,
protested against the practice of buy-
ing cotton for delivery at distant
dates, alleging that it gave gamblers
an opportunity to bring disaster to the
trade. Continental nations, he point-
ed out, conducted their business with-
out recourse to this practice. Other
delegates agreed with the Baron, but
the Congress was not unanimous on
the subject.

Guthrie, a widow woman living near

herself yesterday afternoon on ac-

was caught in Jacksonville, N. C. Mon-

city before going into the penitentiary
and during that time formed many
warm friends. It will be a very short

Special to The News.
Greensboro, June 7.—It is now rum-
ored that an effort is being made by
the Republicans who are not stock-
holders in either paper to have the
Industrial Publishing Company and the
Tar Heel Publishing Company con-
solidated and publish only one paper
here. Members of the two compan-
ies, however, seem to think that an
agreement is not only improbable, but
almost impossible, as the breach is
quite a wide one. However, there is
a large number of republicans who
favor the consolidation and think it
the only way to be sure of having a
good paper.
Dr. R. H. McNeil, of Washington,
D. C., State secretary of the republi-
can executive committee, was here
yesterday and last night. He said
he wanted to see both papers here if
they could have sufficient support and
would fight the democratic party and
not each other. He said if both papers
were printed he would be a subscrib-
er of both.
Mr. R. Don Laws, of Moravian Falls,
publisher of the "Yellow Jacket" and
general manager of the "Daily Tar

and held a conference with other of-
ficers of the Tar Heel Publishing
Company here.
State Normal Commencement.
The commencement exercises at the
State Normal and Industrial college
will begin tonight when the annual

sociation will be held. This will be
followed by the annual alumnae ban-

Tomorrow morning the annual ser-

is a fine speaker and a large audience
is expected at the sermon. Tomorrow
evening the class day exercises will
be held upon the college campus, and
at 8 o'clock six representative essays
will be read by members of the gradu-
ating class. The principal feature of
the evening will be the address of Dr.
F. R. Peabody, of Harvard University.
Friday morning the graduating ex-

sented by State Supreme Court Jus-

the most successful year's work in

in an open carriage, and for the first
time anything in the nature of really
large crowds gathered to welcome
him.
From Buckingham Palace to the
historic Guild Hall the royal proces-
sion passed under a continuous arch-

the route being hedged by deep rows
of sightseers whose welcome to the
young monarch was of the heartiest
description. Seven thousand troops
lined the route to Guild Hall. The
procession returned to the palace by
Victoria Embankment, thus giving the
general public ample opportunity to
witness the royal procession.
