Many a man would stop paying premiums if he knew what his wife had decided to do with the money.

PUBLIC AROUSED. The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 516 St. Clair Ave., Columbus, O., writes: "For several months I had given up to die. I had fever and ague; my nerves were wrecked; I could not sleep and my stomach was so weak, from useless doctors' drugs that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at 50c.

Who Gets the Plum?

While a few pessimists waste time prating about fictitious values in real estate, we notice that the "world do move," especially that part in and near the Queen City. While they are prating the man with faith and his eyes open gets the plum. Here are two to pick up, 25 acres, 1/2 wood, new 5-room house, long macadam frontage. Another just in, only 50 acres and 6-room house; both on easy terms; both the best in their class, and their class is the best. Other farms, city and suburban property.
