Most Interesting History.

I have just read the life of General Joseph Graham and papers concerning North Carolina Revolutionary history, by Hon. W. A. Graham, Mackleham, Lincoln county, Mo. I have read no history pertaining to North Carolina so interesting. In writing the life of his grandfather, General Joseph Graham, the author has brought before us many of North Carolina's noblest men and women, to whose sterling character and noble deeds wrought in the stormy days of the Revolutionary war, she owes her high type of patriotism and glorious history.

The battle between the Whigs and Tories, the Patriots and Loyalists are most vividly portrayed. He who begins to read the book will read it through. Sure, no history history could be more interesting to the people of Mecklenburg county and indeed to all the people of the State.

"MAKES YOU WELL ALL OVER."

New Scientific Remedy that Gets at The Joints from the Inside.

When you get up in the morning with a headache, pains in the joints and muscles, and a dark brown taste in the mouth, it is ample proof that your blood is in bad condition. This and stimulants may give you temporary relief, but they will not cure. RHEUMACIDE goes right to the seat of the trouble, sweeps all the germs and poisons out of the blood, cleans up every "plague spot" in the body and "makes you well all over." RHEUMACIDE tones up the stomach, relieves indigestion and constipation, regulates the liver and kidneys and restores each organ to its natural functions.

By building up the entire system RHEUMACIDE fortifies you against La Grippe, Pneumonia and winter colds. Through its cleaning of the blood it wards off Malaria and prevents Spring Fever.

No other medicine has yet been found that cures rheumatism to stay cured. A remedy that is powerful enough to cure Rheumatism also removes the germs of all other blood diseases.

Powerful as it is, RHEUMACIDE is a purely vegetable remedy that does not even harm the stomach of a baby and acts entirely through nature's channels.

Your druggist sells and recommends RHEUMACIDE.
