

AWFUL PSORIASIS 35 YEARS

Terrible Scaly Humor in Patches All Over the Body—Skin Cracked and Bleeding—Itching Unbearable—Cured by Cuticura in Thirty Days at Cost of \$4.75.

ANOTHER WONDERFUL CURE BY CUTICURA

"I was afflicted with psoriasis for thirty-five years. It was in patches all over my body. I used three boxes of Cuticura Ointment, and two bottles of Cuticura Resolvent. I bathed with the Soap, applied the Ointment once a day, and took the Resolvent as directed. In thirty days I was completely cured, and I think permanently, as it was about five years ago.

"The psoriasis first made its appearance in red spots, generally forming a circle, leaving in the center a spot about the size of a silver dollar of sound flesh. In a short time the affected circle would form a heavy dry scale of a white silvery appearance and would gradually drop off. To remove the entire scales by bathing or using oil to soften them the flesh would be perfectly raw, and a light discharge of bloody substance would ooze out. That scaly crust would form again in twenty-four hours. It was worse on my arms and limbs, although it was in spots all over my body, also on my scalp. If I let the scales remain too long without removing by bath or otherwise, the skin would crack and bleed. I suffered intense itching, worse at nights after getting warm in bed, or blood warm by exercise, when it would be almost unbearable.

"To sum it all up, I would not go through such another ordeal of affliction for thirty-five years for the State of Kansas. (signed) W. M. Chidester, Hutchinson, Kan., April 20, 1905."

Cuticura Soap, Ointment, and Resolvent are sold throughout the world. Foster Drug & Chem. Corp., Sole Prop., Boston, Mass. Sold Everywhere. "How to Cure Itching Skin."

THE CHARLOTTE MAGAZINE.

First Issue a Creditable One—Articles About "Greater Charlotte."

The first number of the new publication, "The Charlotte Magazine," was distributed today and its contents and general appearance will claim for it a place high up in the scale of literary worth and value.

The magazine is published by "The Charlotte Magazine Publishing Co." and the subscription price is 50 cents per annum.

The first number contains excellent portraits of Mayor McNinch, Mr. W. C. Dowd, president of The News Publishing Co., and others, and also write-ups of other prominent citizens. The first ten or twelve pages of the reading matter pertain largely to Charlotte and her growing suburbs, and there is also a fine article on the work of the Greater Charlotte Club.

The magazine also contains numerous short stories, with a good sprinkling of local advertising on the cover pages, and the first five or six pages at the front of the publication. The short stories are timely and interesting, and the magazine, taken as a whole is worth the price of subscription.

MR. HAMMER CALLS ON THE PRISONERS

Man who will Prosecute the Five Negroes for the Murder of the Lyerly's was at Mecklenburg Jail Sunday. He Interviews Witnesses and Prisoners.

Solicitor Hammer who will prosecute the five negroes now in Mecklenburg jail, charged with the murder of the Lyerly family, was in Charlotte Sunday. He went to the jail and had a talk with the two negro witnesses who claim that Jack Dillingham has made a confession. He also questioned the prisoners. The Salisbury Post has this to say of Solicitor Hammer's visit:

"Solicitor Hammer was in Salisbury again yesterday and as on his previous visit gave his whole time to the case of the negroes charged with the murder of the Lyerly family. Mr. Hammer ran over to Charlotte and questioned the witnesses and prisoners but if he got any satisfaction from the latter he does not say so. It is certain that the two men confined in the cell with Jack Dillingham will be introduced as witnesses by the State and their testimony will be valuable.

"The solicitor made another trip through the country to Barbers Junction yesterday in order to familiarize himself with the local surroundings and question certain witnesses.

"The special term of court ordered by Governor Glenn convenes next Monday morning in Salisbury. The selection of a jury will occupy the court possibly for an hour, after which the case will be opened. So far none of the defendants have employed counsel and it will probably devolve upon Judge Long to appoint members of the Salisbury bar to appear for them.

All told more than a half hundred witnesses will be examined but most of these will be disposed of in a few minutes. The cases will be tried in a regular and orderly manner and no trouble from outside sources is anticipated. An immense crowd will be in Salisbury, however. All Cleveland township will be here and the court room will not be able to accommodate half the number that wish to attend the trial."

MINT HILL NEWS.

No Typhoid Here This Summer—The Bain Re-Union—Personal and News Notes.

Mint Hill, July 31.—The seventeenth annual re-union of the literary society of Bain Academy was held last Friday and was a most enjoyable occasion. The address of welcome by W. T. Mann, was a gem. The debate by members of the society reflected credit on the young men participating. The subject of further restriction against foreign immigration was ably discussed. The affirmative won. The address of Mr. Preston in the evening, was highly pleasing, especially to the young people. The day was an ideal one for candidates and they made use of it. The drama at night was greatly enjoyed and was a success financially. All in all, it was one of the most successful re-unions ever held here.

Messrs. Chas. P. Shaffer and James Black returned last week from Whitney, N. C., where they had spent some time with Mrs. Black's brother, Dr. J. I. Campbell, who is the "family" physician for the Whitney Reduction Co., and who is, I am glad to know making a success in his chosen profession. Dr. Campbell is an old Mint Hill boy, a son of Mr. J. Lee Campbell, one of our best citizens.

Miss Fannie May Long, of Rockingham, is visiting in the community. Mrs. H. M. Lipe, of this place, and her daughter, Mrs. C. K. Messick, of Charlotte, are in the mountains of Western North Carolina for their health. They are now at Clyde, near Waynesville.

Miss Cora Long left Saturday for King's Mountain to spend two or three weeks preparatory to entering upon her duties as one of the teachers in the graded school there, to which position she was recently elected.

Miss Odessa Woods returned last Thursday from Raeford, N. C., where she spent the summer with her sister, Mrs. Allie Nisbet. Mr. and Mrs. H. S. Estridge have returned from a visit to Mrs. Estridge's parents, Mr. and Mrs. Eph. Green, of Stanly county.

Mr. T. W. Mann returned last week from Sharon, S. C., where he spent a week visiting the family of Rev. J. A. McMurray, formerly of Mint Hill. Miss Sallie McMurray came over with him to spend some time with friends here.

Mr. W. B. Estridge is slightly indisposed. Some reports have been circulated in some sections that Mint Hill has had an epidemic of typhoid fever when in truth, there is not, nor has there been, a single case in or near the village this year.

Miss Mary Medlin returned Friday from a two months visit to her brother, Mr. Chas. G. Medlin, of Monroe, N. C.

Mr. O. C. Hamilton, of Unionville, N. C., spent last Thursday and Friday in the village, much to the delight of her many friends. The officials of Philadelphia Church have received a letter from Rev. D. L. Linder, of Uniontown, Ala., saying that on account of his health he will not be able to come here in August as promised.

Prof. Cline, of Matthews, was over last Friday much to the delight of his many friends here. Mr. and Mrs. Chas. G. Medlin, of Monroe, came up Sunday to visit relatives and friends.

HORSE CAUSES EXCITEMENT.

Becomes Frightened at a Passing Train—Big Crowd to Cleveland Springs—Excessive Rainfall.

Special to The News. Rock Hill, July 31.—There was quite an excitement yesterday afternoon about 6 o'clock on Main street near the City Market, when a horse, owned by Mr. Alex. Bailey, driven by a small boy, became very much frightened at a passing train, so much so that he threw himself broadside in the street, and after getting up he fell to the other side one of the shafts of the buggy was broken, but neither the horse nor the boy was much hurt, except terribly frightened.

Miss Hazel Grist, Miss Nannie Lee Grist, Mrs. Lillian Adams, Misses Kate and Jessie Black and Mr. Jno. Latta, of Yorkville, spent yesterday in Charlotte.

Misses Hazel Grist, Helen Riddle, and Mayme Lee Grist, of Yorkville are visiting Mrs. Lillian Adams.

Mr. Meek Williams, of Yorkville was in the city yesterday on business.

Misses Lillie B. Sadler and Orrie Steele have gone to Cleveland Springs, Shelby, to spend a few weeks vacation.

Messrs. Otis Hull and Ernest Robinson also went to Cleveland Springs Saturday. Mr. Hull returned Sunday night while Mr. Robinson will spend several days with his people.

Mr. Harry Ruff has returned from Columbia, where he has been for several days having his eyes treated by a specialist. His friends are glad to see him back, and to know that the optical treatment was very beneficial.

The rainfall continues very heavy in this section and from what we can learn it is pretty much general. We hear much complaint from the farmers in having to "quit-by" their crops rather than "lay-by" on account of the excessive rains. They report quite a large per cent. cut off by the wet weather and that should it stop now the crops could not recover from the severe stunt.

Messrs. Theo. Neely and Lynn Massey have returned from Cleveland Springs after spending Sunday there. The report quite a pleasant trip.

Mr. T. L. Johnson went to Columbia yesterday attending the meeting of Board of Assessors.

Quite a novel name of advertisements, beautifully marked off and framed, has been put up in the Carolina Hotel. This frame contains several ads. of the leading business men of this and other cities. It makes a nice show as well as a handsome form of advertisements.

WEATHER FOR AUGUST. Some Interesting Data for the Coming Month.

The following data covering a period of 27 years, have been compiled from the weather bureau records at Charlotte. They are issued to show the conditions that have prevailed, during the month of August, for the above period of years, but must not be construed as a forecast of the weather conditions for the coming month.

The mean or normal temperature for the month of August has been 77 degrees. The warmest month was that of 1900 with an average of 82 degrees. The coldest month was that of 1839 with an average temperature of 74 degrees. The highest temperature was 100 degrees on August 7, 1888. The lowest temperature was 53 degrees on August 31, 1887.

The average precipitation for the month of August has been 5.57 inches. The average number of days with .01 of an inch or more has been 12. The greatest monthly precipitation was 10.66 inches in 1901. The least monthly precipitation was 1.05 inches in 1896.

The greatest amount of precipitation recorded in any 24 consecutive hours was 4.64 inches on August 27-28, 1893.

The average number of clear days in August have been 10; partly cloudy 12; cloudy days 9.

The prevailing winds have been from the northeast, the average hourly velocity being 4.7 miles. The highest velocity was 42 miles an hour from the West on August 6, 1902.

Mr. Barrow to Come to Charlotte. The Concord Times says Mr. Herbert M. Barrow, who has been bookkeeper at the office of Odell Manufacturing Co. for a number of years, has resigned that position and will go to Charlotte September 1st to go into the insurance business. Mr. Barrow has been considered almost a fixture here, and the people of the town generally, will very much regret to see him depart. Mr. Barrow's family will remain in Concord for the present. Mr. Fred C. Odell who has been assistant bookkeeper for some time, will succeed Mr. Barrow as head bookkeeper.

A NOVEL INTRODUCTION. The Dr. Howard Company have entered into an arrangement with R. H. Jordan & Co's drug store, by which a special introductory offer will be made of 25 cents on the 50 cent size of their celebrated specific for the cure of constipation and dyspepsia.

So remarkably successful has Dr. Howard's specific been in curing constipation, dyspepsia and all forms of liver trouble, that R. H. Jordan & Co. will return the price paid in every case where it does not give relief.

The old fashioned idea of dosing with mineral waters, cathartic pills or harsh purgatives will soon be a thing of the past. The best physicians are prescribing Dr. Howard's specific, both because it is so remarkable a medicine and on account of the small dose that is needed.

Headache, coated tongue, dizziness, gas on stomach, spots before the eyes, constipation and all forms of malaria and liver troubles are soon cured by this scientific medicine.

R. H. Jordan & Co. have been able to secure only a limited supply, so everyone who wishes to be cured of dyspepsia or constipation should call upon them at once or send them 25 cents by mail, and get 60 doses of the best medicine ever made, on this special half price introductory offer, with their personal guarantee to refund the money if the specific does not cure.

Pale? Thin?

How is it with the children these days? Have they plenty of grit, courage, strength? Or are they thin, pale, delicate? This reminds you of Ayer's Sarsaparilla. It does great things for children. It gives them a good appetite, improves their digestion, builds up their general health. Ask your doctor if he endorses this. We have no secrets! We publish the formulas of all our medicines! J. C. Ayer & Co., Lowell, Mass.

Advertisement for THE CHICKERING PIANO. Text: "Eighty-three years ago Jonas Chickering established a reputation as the world's finest piano maker. In the Chickering factories he established a standard of merit --all Chickering Pianos had to be made to that standard. As the science of Piano making advanced, so was the standard advanced until to-day the Chickering is the model from which others copy, as has been the case for eighty-three years. Jonas Chickering set a high mark, but to-day it is higher than ever, the recognized 'Standard of the World,' and is essentially the most desired piano for the home. The Chickering Quarter Grand (the smallest perfect Grand Piano made) is the latest achievement of this distinguished house. On exhibition at our warehouses. See the New Styles at Parker-Gardner Co's."
