## Hello! Hello! Hello!

Lend us your ears for good tidings.

The FORTY - EIGHTH SERIES will commence September 1st; the subscription books are now open,

Having in the last Series exceeded 2,500 shares, we are now setting our pegs for a 3,000 share Series. Remember, that if you intend to buy or build next spring, that now is the time to take the stock; put in your application so that the money will be ready for you when you want it.

Not only take shares yourself, but you can do no greater favor to your friends and acquaintances than to induce them also to take shares with us, if not to buy or build a home, then to save up something for a rainy day.
