

SALISBURY NEWS AND HAPPENINGS

Special to The News. Salisbury, Aug. 14.—Announcement was made yesterday of the marriage of Miss Carrie May Roseman, daughter of Mr. and Mrs. Rufus P. Roseman, of Salisbury, to Mr. Luther M. Helms, of this city.

Whitehead Klutz, Esq., who, together with Rev. W. A. Lambeth, the brilliant young pastor of Holmes' Memorial Methodist church in East Salisbury, has been touring European countries, sailed from Naples yesterday for New York.

Prof. W. R. Conners, a member of the faculty of Livingstone college, the colored institution of learning this city, has been elected to the faculty of the colored public schools of Winchester, Pa., and will leave in a few days to take up his new duties.

The death of Capt. Egbert B. C. Hambley at his home in this city yesterday morning has cast a gloom over the community. He was Salisbury's foremost citizen, was one of the State's greatest industrial men and it is said has induced and attracted more capital into North Carolina since his residence here than any other man in the State.

It was Capt. Hambley's ambition to see the completion of the great power plant at Whitney and to witness the revolutionizing of the manufacturing industries of Piedmont North Carolina.

Mr. Sam Williams, cashier at Jordan's, returned last night from his vacation which was spent at North-ern points.

Protracted services are being held this week at Flint Hill Church. The pastor, Rev. Mr. Reeves, is doing the preaching.

Tomorrow is the day appointed for the annual picnic at Big Steel Creek Presbyterian church. Ample preparations are being made for the entertainment of the large crowd that is expected.

The annual picnic given by the members of the Mulberry Presbyterian church Sunday school will be held on next Friday. There will be speeches and amusements besides a big dinner which will share in the attractions.

A fine lot of melons grown by Mr. J. B. Watt were on the streets today and were bought by the Gem restaurant. They were of the Bradford variety and were among the finest exhibited on the local market this year.

Railroad Sites are becoming hard to find in the city limits of Charlotte. We offer one just now which is specially well located at the corner of E. Seventh street and the railroad, just where the extensive new developments of the Seaboard begin; the tracks of both railroads pass the lot and a special siding also along the whole length of the lot. Only three blocks from Trade street and but two from Tryon street. A bargain for somebody. F. C. ABBOTT & COMPANY EVERYTHING IN REAL ESTATE.
