

NO PUNISHMENT LIKELY

For South Carolina Lynchers as Public Sentiment is With the Mob.

Columbia, S. C., Aug. 18.—Governor Heyward returned yesterday from the scene of the lynching of the negro Bob Davis near Greenwood, Thursday evening. When asked for a statement concerning the lynching the Governor said he had nothing to say further than that, after a conference with Solicitor Cooper, of the Greenwood circuit, he had instructed that officer to take immediate steps to prosecute the known members of the mob. As the sentiment among the best citizens of the county, as well as a good number of negroes, is in sympathy with the action of the mob, it is hardly probable that the prosecutions will amount to anything.

A negro school teacher of the neighborhood has written a card to the newspapers in which he endorses the lynching of Davis.

The negro citizens of Greenwood county yesterday issued the following address in regard to the lynching of Bob Davis:

"We, the negroes of this county, wish to say that we are with you and in anything so serious as this you gave assistance in what you think best. We cannot afford, as a race, to uphold anything that tends to lower our Christian or moral standing, and the quicker we show that we are ready to help trace the rascal to his dan, the quicker will we have the sympathy of the white man when we are intruded upon. Some minded colored persons may say that the negroes should not have assisted the white men in their search, but we say to them, 'You are simply needing common sense.' If there is anything lacking on the part of the negro race it is that of self-respect, and we say that if he cannot respect himself, teach him, and do not be partial how and in what manner the lesson be given. Now, until the leaders of the race establish the fact that we should join in and overtake any rascal, we are not in full discharge of our duty. Then let us as a race learn to respect ourselves and thereby expect it of others.

"We think we voice the sentiment of every respectable negro in the country when we say that the country is rid of one of the meanest, most disreputable characters imaginable, and your thoughts are ours. It is unreasonable to expect the white man to respect and protect us when we do not respect ourselves. The only thing wanted was the right man and that is what we had, and we are satisfied.

(Signed.) "COLORED CITIZENS OF GREENWOOD COUNTY."

WHITE GIRL WEDS A NEGRO.

She Clings Affectionately to the Bridegroom During the Ceremony.

Springfield, Mass., Aug. 17.—Miss Margaret M. Dooley, of Plattsburg, N. Y., white, young and attractive, was married today to Edward Williams, a negro, also of Plattsburg. The ceremony was performed in the Municipal Building by City Clerk E. A. Newell. Mr. Newell, though opposed to mixed marriages, could discover no legal grounds on which he could decline to perform the ceremony.

The bridegroom is tall and well proportioned, while the bride is slight in stature. During the ceremony she clung affectionately to the arm of her dusky companion. The couple came to Springfield to escape the disapproval of the woman's family.

The bridegroom gave his age as thirty-two, his home No. 39 Margaret street, Plattsburg, and his occupation as that of steward. The bride said she was twenty-four, and that her parents were William and Bridget Dooley, of Plattsburg.

The couple were fashionably attired and well provided with funds. They made inquiries at the Municipal Building concerning "the best hotels."

Petridge Wants \$5,000 Because He Couldn't Eat in Joe's.

Springfield, Mass., Aug. 18.—Because Joe Fun, Springfield's wealthiest Chinaman, refused to serve food in his restaurant to Frank J. Petridge, prize-fighter and leader of colored social functions, Petridge has sued Fun for \$5,000.

Feeling exists against Fun in colored circles because a popular negroess broke a marriage engagement with a dusky swain to become Fun's wife.
