The nove nuptial agreement which was included While we can see nothing in sight in the original complaint filed reads

"We do hereby solemnly covenant is so one sided makes it a dangerous other for better or worse, to love, hon Foreigners are selling more freely or and cherish, through joy or sorrow abroad, and the whole world can see or woe, until death does us part, God being our witness, for in Him we trust.

me where in sight, and while we tered into and duly signed by the wo think it more a question of nerve men May 8, 1892, and their happy than margins to buy at this low level, home was broken up about six months ago by the marriage of Mrs. Robbins cept to secure short profits. This to a mere man. Mrs. Hewitt professes to have been the original owner of most of the joint property and wants

PASTOR ACCUSED OF FRAUD.

Embazzelment of Money Raised to Pay Church Mortage Charged.

Philadelphia, Pa., Aug. 18.-With warrant out for his arrest charging him with embazzeling \$1,800, which was to have been used in paying oh a church mortage, Rev. George H. Culley, pastor of the Sixth Christian Church, is missing. Efforts to locate the fugative clergyman have thus far failed, though he is believed by his congregation to be with his wife and

child in New York. The money which Mr. Culley is ac cused of embazzeling was raised by Mrs. John Beveridge, one of his con gregation, who mortaged her home and intrusted the \$1,800 to the pastor Some time later Mr. Culley informed Mrs. Beveridge that the church mortgage had been canceled, but on mak ing inquiries at the office of the building and loan association which held the mortgage she learned that the

clergyman had only paid the interests planation, and following an interview with Mrs. Beveridge, he disappeared. A meeting of the church memebers was held, and the secretary of the church was instructed to swear out a

FARMER'S CROP IS FISH.

Mysterious Perch and Catfish in Sub

merged Deleware Fields. Seaford, Del., Aug. 17 .- On the farm of W. L. Bell, a mile from Seaford several of ms fields are submerged with water to a depth of from one to three feet and perch and catfish in large numbers can be seen swimming about. A colored farm hand caught with a wash basin in less than an hour a bushel of fish. The phenomenon cannot be explained. The farmers report similar conditions.

The rain Sunday was the heaviest ever recorded here-nearly four inches in less than three hours. The down pour practically ruined all crops. Farmers are discouraged and in many instances will have to mortgage their farms to tide them over. The peach crop is less than a third of the average.

NORFOLK SELECTED.
