### Going North to Consult Specialist.

Mr. and Mrs. E. B. Springs will leave tonight with their son, Master Eli Springs, for New York to consult specialists relative to a serious ear trouble the young man has developed since returning from Camp Brenizer last week. Dr. A. M. Whisnant was consulted and he advised Mr. and Mrs. Springs to take their son North and consult Dr. Miles who is one of New York's noted specialists. He thought the trouble was a mastoid.
