

Gowan's Philosophy

The oft quoted proposition "where ignorance is bliss, 'tis folly to be wise" has been accepted by mankind. But suppose that a friend were to die with pneumonia because you were in ignorance of the fact that Gowan's Pneumonia Cure would have saved his life? Had you been wise to the fact that Gowan's would have saved his life, it strikes me that it were folly to be ignorant. Think this over some day and then go to your druggist and get a bottle of Gowan's and be prepared. BE WISE!

Y. M. C. A.'S NEW OFFICERS.

Election at the Meeting of the Board of Directors.

The board of directors of the Young Men's Christian Association met yesterday afternoon at 5 o'clock and elected officers as follows for the ensuing year:

President, Robert Glasgow, Jr.; vice-president, J. A. Durham; recording secretary, J. H. Ross; treasurer, F. C. Abbott, and general secretary, David L. Probert.

A feature of the meeting was the presence of Mr. Fletcher S. Brockman, the national secretary for China, who gave the board a very interesting report of the work being done in China by Mr. Charles L. Boynton, who is the individual representative of the Charlotte Association in China, and one of the strongest and most aggressive men in the whole of Cathay. Mr. Brockman had remained over in the city after his splendid address before members of the association at the banquet on Thursday evening.

Resolutions of thanks were passed for the valued services of the pastors of the city, the press of the city for many favors, and to the ladies' auxiliary to the association, for help in entertaining on many occasions.

The new board is as follows: Messrs. J. A. Durham, F. C. Abbott, Robert Glasgow, A. G. Brenner, W. F. Dowd, Willis Brown, D. H. Anderson, A. G. Craig, Julian H. Little, C. W. Tillet, Heriot Clarkson, J. B. Ivey, J. M. Harry, J. H. Ross, George Stephens.

Reports for the year read by the treasurer and the general secretary of the association show a favorable condition of affairs. The policy of the association for the coming year will be the same as last year. That is to keep the association in as effective a condition as possible under the trying circumstances incident to a lessened force and the erection of the new building.

The following is the program for the First Baptist Sunday school tomorrow afternoon at 3 o'clock:

Mt. Airy News

Special to The News.

Mount Airy, N. C., Jan. 4.—The Western Union Telegraph Co. has moved its office into the new post office building.

John Harrison, who killed Renben Bond in Carroll county, Va., on Christmas day, has succeeded in making his escape and no trace of him has been discovered.

Noah Phillips and Joe and Charley Haynes, of this city, beat and stabbed one Walter Hodge nearly to death the other day. This occurred in the Peach Orchard section, where they make liquor that causes men to want to kill everybody they see.

PATROLMAN LOSES BADGE OF OFFICE

J. L. Asbury Dismissed From Force and R. C. Gardner is Elected to Fill the Vacancy—Citizen Charges Officer With an Assault.

The Board of Public Safety held its regularly monthly meeting last night.

The reports from the various departments which have already appeared in The News, were read and accepted.

The suspension of Patrolman J. L. Asbury, for drunkenness, was the first matter taken up. Upon motion of Capt. W. R. Robertson, this officer was dismissed from the force, and his resignation which had been tendered was not accepted. The members regretted this action, but thought it necessary for the good of the force.

Upon recommendation of the police committee, Mr. R. Clifford Gardner was elected to fill the vacancy caused by the dismissal of Officer Asbury.

Mr. Page, of the police committee, wanted a report from the chief of police as to the conditions in North Charlotte since the appointment of extra policemen to break up rowdiness in that section and in the Fourteenth street section.

Chief Christenbury stated that during the holidays that four extra officers were only used on one Saturday night, and that the other Saturday nights only two were used. He stated that it was still very hard to get evidence from the residents of that section in regard to any disorder.

It was hinted by several members of the board that in their opinion many of the complaints coming from that section were made by men who were trying to break into the police force by means of this activity.

Upon motion of Mr. Walker it was ordered that the chief use his discretion in regard to hiring extra officers for such times as he thought they were needed for this section. He was given this authority until the next meeting of the board.

Mr. F. E. Robeson, who has been acting from month to month as city electrician at a salary of \$75 per month, was regularly elected to the position at a salary of \$100 per month, which is the regular appropriation for that department.

A complaint was read from Dr. J. R. Alexander charging Patrolman Henry with an assault on him on Christmas evening while standing on the square waiting for a car. Dr. Alexander claimed that while waiting for a car near the curbing, that officer told him to move on, and that he explained that he was waiting for a car, but that the officer grabbed him by the coat and pulled him to the sidewalk, flourishing his billy as if to strike him.

After a statement from Chief Christenbury that he considered Officer Henry was only doing his duty in keeping the square clear, the matter was referred to the police committee for investigation.

Special Missionary Offering.

This is to be taken in the First A. R. P. Church tomorrow. Kindly and earnestly we would urge every member of our church to remember the offering for missions tomorrow, as it is the first one of the year, let it be large and liberal. We expect one-fourth of the "thousand for foreign missions."
