### CONCERNING JEALOUSY.

A Paris professor comes forth with the startling declaration that jealousy is merely a disease, as are measles, this week has been the placing of the surprised that jealousy should have mysteriously terrible maladies been their mysticism and made subject to the will of the pill roller? Why not

It was only recently that a tower-

thority we have been told that poet-tire system. Be the causes what they ry-another auxiliary of love, is like-may, the worst came to the worst, wise a disease. This discovery has whether due to the threatened panic, not developed yet to that stage hostile legislation, the scheming of where treatment is possible, but manipulators, or what not.

sult that they are unable to keep favorable developments that are conconcealed their soul's effervescences, fidently expected. will simply pay the apothecary a visit, and the trick will be turned. Or, the prosaic speaker, exhorter, "Santa Claus may look like an easy the maionaisse of poesy, but finds himself helpless, will simply tell his troubles to the doctor. A prescription will be forthcoming, and one draught from the vial labelled poetry wil start the poetic fires to consuming his callous soul.

Yes, what a happy world would this be if love and poetry once were made subject to the doctor's power.

And if indeed these two attributes of the soul are to be divested of world this will be when black jeal- the manhole is saying, "never again." ousy loses its force. The star will feel the chains of her soul unlocked, manager may need a drug to bring ers.

him to when this generosity chant will decide he is not the only man in the world who sells goods turn yellow, and forthwith he will invite his neighbor to "take a drink on the house." Love crazed Romes will break the table of commandments and allow his fiance to go driving with Jilted James, or accept a box of Henry's Huyler's, and thank them for being nice to his promised love. Jealous husbands will no longer do handsprings amongst china, or chuck the furniture through
