Mr. J. S. Daniels, one of the foremen engaged in the street paving work, was in the police court this morning charged with an assault upon Dr. E. C. Register.

The difficulty arose because Dr. Register, while riding in his automobile, rode over some stakes and lines that had been placed by Mr. Daniels on Fourth street.

Mr. Daniels stated that he was very sorry that the matter had occurred. He said that he was working a large crew of hands; that the company wanted results; that every minute of delay meant loss of money.

“The instant I threw that rock,” said Mr. Daniels, “I would have given a thousand dollars if I could have recalled it.”

Dr. Register, through his attorney, Mr. W. E. Harding, stated that he had no desire to prosecute Mr. Daniels, and was perfectly willing for the matter to drop.

### For Harmony In Illinois

Springfield, Ill., April 22.—The advance guard of delegates has put in an appearance for the democratic state convention which assembles here tomorrow to select the Illinois delegates at large to the Denver convention.

The most of the delegates and visitors, however, including several train loads from Chicago, are not expected to arrive until early tomorrow morning.

The older party leaders believe that a harmonious gathering is assured, though the conditions within the party are undeniably ripe for an interesting and lively convention.

The ranks are divided between “Simon-pure,” who are staunch supporters of Bryan, and the Sullivan faction, which is under the domination of Roger Sullivan, the Illinois member of the national committee.

Former Mayor Carter H. Harrison has led the fight for Bryan in Chicago and he has openly intimated that if tomorrow's convention does not go the way he and his followers desire it will mean rival delegations to the Denver convention.

Among the rank and file, however, there is believed to be little chance for the convention to split. The Sullivan element are expected to support the movement for Bryan instructions, provided no move is made to oust Sullivan from the national committee.

There is little to be gained by either faction through an open rupture, the chances seem to favor a compromise and a harmonious convention.

## Good Advice

**Woman's Good Looks**

depend, of course, very largely upon her health. If your health is bad, if you are weak, sick, miserable, and suffer from pain or other symptoms of womanly ailments, your face and general appearance will quickly show it, and nothing you can do will bring back your good looks, until you cure your female troubles.

The best advice to give you, for such a condition, is to—**“take Cardui.”**

This is the well-known woman's remedy, of which you have so often heard.

It is the medicine for you to try, whether you have just fallen sick or whether you have been long sick, and are hopeless of relief.

Cardui has succeeded so often, that you may safely expect it to benefit you.

Mrs. Sarah Avery, of Moark, Ark., writes: “I suffered with womanly troubles for two years, and nothing would help me until I took Cardui. Now I am well.” Try it.
