#### Institute to Be Held At Trinity in June

Trinity College, Durham, N. C., April 27.—There was a very interesting meeting of the Fortnightly Club Friday evening. The meeting was devoted, however, entirely to business matters connected with the organization, it being one of the few meetings of a business nature that have been held recently.

An institute will be held here during the latter part of June and the first week in July for the benefit of the Durham and Person county teachers especially, and the occasion promises to be one of much value.  
 The members of the faculty at this college have been assisting Superintendent C. W. Massey during the past year in his teachers' meetings and the original plan of the institute was to continue this work at the college with an institute.

Mr. Massey has interested the board of education of Person county in the plan and the two counties have combined for the purpose of conducting two weeks of strong meetings.

#### ROCK HILL VS. CHARLOTTE.

Geo. B. Grove to Render Decision in First Game.  
 Manager C. G. Gunter, of Rock Hill, brought his bunch of ball tossers to town this morning and hung them up at the Buford. Weather permitting they are crossing bats with the Hornets this afternoon. Rock Hill has an able herd of diamond artists, being especially strong in the box.

The split even of last week between these two teams will add ginger to their efforts here today and tomorrow, and old-fashioned, red-hot ball is looked for. The Hornets will begin the regular season here on Thursday, Spartanburg being their opponents.

The line-up for this afternoon's game is announced as follows:  
 Rock Hill: Blanton, 1 f.; Gunter, 1 b.; James, s.s.; Haman, c.; Brown, 3 b.; O'Neal, 2 b.; Swink, r. f.; Goheen, c. b. crouch, p.  
 Charlotte: Newton, s.s.; Lewis, 1 f.; Foley, r. f.; Metz, 1 b.; Bateman, c. f.; Sneedin, 3 b.; Brennan, 2 b.; Hinton, c.; Finn and Platt, p.

In addition to those mentioned in the lineup the Rock Hill party includes Mrs. C. G. Gunter, Messrs. Harzer, Vashinder, Sawyer, Eagan, Matthews and Primm.

Umpire Geo. B. Grove, of the regular staff of the Carolina League, will hold the indicator for the first time this afternoon.

The report was submitted by Mr. John W. Todd, assistant treasurer.

 The three Carolina League umpires, Groves, Green and McNameara, are expected to report here tomorrow for instructions from President Wearn.

Groves has already arrived and the other two are expected tonight.

Another Steel Creek Fire.  
 A presumably incendiary fire in lower Steel Creek on Thursday night destroyed the two barns and a crib belonging to Mr. S. R. Camps. Mr. Camps' loss is about \$1,500 with no insurance. One mule, in breaking through the flames, was so badly injured as to be useless. Nearly 5,000 bushels of fodder, 1,100 bushels of corn and \$100 worth of fertilizers were destroyed.

Neighbors rendered prompt assistance which prevented the residence from igniting.

### ARRANGEMENTS FOR STATE FAIR B E I N G MADE

Special to The News.  
 Raleigh, N. C., April 27.—At a session of the executive committee of the North Carolina Agricultural Society, which holds annually the great State Fair in Raleigh, action was taken that will go a long way toward assuring the greatest fair, by all odds, on October 12 to 17, the society has yet held. Steps were taken to have the fair grounds adequately supplied with water, connection to be made with the city hydrants. The action of the state fair officers in joining the Virginia-Carolina circuit of fairs, that includes big fairs in Virginia and the two Carolinas, was approved, including the offering of stake prizes in connection with the racing events. The erection of a new machinery hall, 3,200 feet and the equipment of suitable offices for the president and the secretary of the fair in the ground was ordered, the offices to be suitable for these officials to receive and entertain their friends in a creditable manner. There is every indication that the 1908 fair will outstrip all its forty-eight predecessors.

### ARK. REPUBLICANS WILL FAVOR TAFT

Hot Springs, Ark., April 27.—Hot Springs has completed all arrangements for entertaining the Republican State convention which is to meet here tomorrow for the purpose of selecting the delegates-at-large to the national convention in Chicago next June. The State committee has already declared its preference for Secretary Taft for the Presidential nomination and it is expected the example set by the committee will be followed by the convention. If the program of the Taft supporters is carried out the delegates will be instructed for the Secretary of War.

Gen. Powell Clayton, H. L. Rammel, Captain F. W. Tucker and John E. Bush are slated for delegates-at-large. With the exception of Gen. Clayton, all are holding federal positions in Little Rock, Mr. Rammel being United States marshal for that district. Captain Tucker internal revenue collector of the State and John E. Bush receiver of the United States land office in Little Rock. If these four men are selected it will violate the custom of former years, which has always been to send one negro delegate-at-large to every national convention.

"The Holy City."  
 "The Holy City" is the title of the new picture which is being shown at the Casino today, for the first time. It is the story of Mary Magdalene and, aside from possessing unusual artistic merit, is full of religious feeling that appeals to the thoughtful.

The busier a man is the less time he has to think about being over-worked.

### SCRIP FOR CASE OF CHAMPAGNE GOT HIM IN TROUBLE

Special to The News.  
 Asheville, N. C., April 27.—Some what of a sensation was created in the superior court here when the grand jury returned indictments against Dr. H. Rosenstein, proprietor, and H. R. Sudberry, manager of the Asheville Pharmacy, charging them with violation of the prohibition law, in selling a case of champagne on a prescription given Mr. R. R. Reynolds, by Dr. Arthur T. Pritchard. Much interest has been aroused, owing to the prominence of the parties involved, Mr. Reynolds being a well-known young lawyer and a brother of Police Judge Reynolds. Dr. Pritchard is a prominent physician and son of Federal Judge J. C. Pritchard, while Mr. Rosenstein, the proprietor of the Asheville Pharmacy is also manager of the opera house.

It is alleged that Mr. Reynolds applied to Dr. Pritchard for medical advice, and was given a prescription for a bottle of wine, but upon Mr. Reynolds' suggestion that it would be cheaper for him to buy wine in larger quantities, the prescription was made to read for one case of wine. This prescription was taken by Mr. Reynolds to the Asheville Pharmacy, at that place he secured a case of champagne. It is alleged that this case was subsequently taken to the Battery Park Hotel for the use of Mr. Reynolds and a party of friends at a social gathering.

City Detective Jordan, learning of the facts, soon had sufficient evidence to lay the matter before Solicitor Mark W. Brown, and that official sent indictments to the grand jury. The circumstances on which the indictments were returned do not seem to be quite clear, as the law allows liquor to be sold on the prescription of a practicing physician.

### Gate City News Of Interest

Special to The News.  
 Greensboro, N. C., April 27.—Charles Wilson, colored, of White Oak, is in jail awaiting trial on the charge of seriously cutting B. O. Clark, also of White Oak. Clark is in a dangerous condition and Wilson will be held without bail until the preliminary hearing, which will not take place until there is some change in Clark's condition. The cutting took place at the mill on last Wednesday afternoon, as Clark was returning from dinner.

It seems that Wilson's wife was bringing his dinner to him and, in coming to the mill, she had to cross a gang-plank. She and Clark met on the plank and neither would give way to the other, and the woman fell off. Mrs. Wilson reported the matter to Wilson who waited outside for Clark and as he returned, he stepped up and slashed him in the back with a knife. Wilson was arrested shortly after by Deputy Jefferys and placed in jail.
