MR. HUTCHISON TELLS OF HIS CITY LOT FARMS

When a Witness in Recorder's Court He Says: "I Have Got Fifty Bushels of Cotton Seed and Want Ten More to Plant City Lots."

The witnesses for the state were Messrs. Parks Hutchison and J. Leak Seppner and Mr. White, a rural carrier. These witnesses testified as to seeing two cars blocking this crossing on last Friday, and stated that they remained there for more than five minutes.

Mr. Hutchison was examined by Mr. Pope as to whether he knew that this crossing was within the city limits. Mr. Hutchison answered that he knew because he paid city taxes on land beyond this point.

After Mr. Pope had addressed the court, Mr. Hutchison stated there were witnesses who testified that the crossings had been frequently blocked, and that it could be proved that the crossing had been blocked the day before.

Mr. Pope objected to Mr. Hutchison practicing before the court and at the same time bringing in evidence which had not been produced in the trial. The case was dismissed, the court holding that the defendant had made a reasonable excuse, but gave a warning that any flagrant violation in the future would be punished with the penalty of the law, which is a fine of \$50.

Bank Talks BY THE American Trust Co.

An Interest Quarter began April 1st, with over 100 new accounts and we rather expected to see the daily number of new depositors fall off this month.

But still they come. Of course they are wise in thus building up balances in time for the next Interest Period, and it is just in line with the point we have been advertising on that subject.

"DO IT NOW" is one of the mottoes of modern business. If you are thinking of starting an account do it now, don't wait.
