

GREENSBORO PLAYS WINSTON-SALEM TO - MORROW

Special to The News.
Greensboro, N. C., April 29.—Manager McKevitt of the local baseball club, yesterday signed Charles Doak, one of the well-known players of Guilford College, to play infield.
Doak is one of the crack players for Guilford College, always putting plenty of ginger in his work.
The first league game for Greensboro, will be played Thursday at the athletic park, between Greensboro and Winston. An effort is being made to get the business houses to close at afternoon to give the Greensboro people an opportunity to attend the game and give the boys an ovation at their first game. But as the republican state convention meets here that day, and the city will be full of visitors, it is not likely that the merchants will close their doors.

TRINITY TO PLAY IN GASTONIA AND TWIN-CITY

Special to The News.
Trinity College, Durham, April 29.—The Trinity College baseball team will leave here tomorrow evening at 8:30 o'clock for a two days' trip in Gastonia and Winston-Salem, where the Methodist boys will cross bats with Clemson College, of South Carolina, May 1st and 2d. The game on the first was previously arranged to take place in Charlotte, but the various reasons the contest could not take place in that city, and Manager Daniels has arranged two games, the first May 1st in Gastonia, and the second in Winston-Salem the following day.
These games will both be good ones. Trinity is at her best now, and the boys expect to give the Clemson fellows all they want.

U. OF TENNESSEE TO PLAY DAVIDSON

Special to The News.
Salisbury, N. C., April 29.—A great game of ball is expected Saturday when Davidson College and the University of Tennessee cross bats at Fulton Heights park. Both teams are strong this year and the result is a matter throughout the south.
The Tennessee boys have beaten Vanderbilt and have a string of other victories to their credit. Davidson has taken a brace and is showing up well. The Presbyterians have won over half of their games, and lost the rest by the narrowest margin.
The weather permitting, a large crowd is expected to witness the game, it being the only college game of the season here.

Married Women

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.
