The Jefferson Standard Life Insurance Company is a solid, conservative, progressive Life Insurance Company, having begun business with a CASH surplus to policy holders of

\$500,000--ALL CASH

And a directorate composed of some of the South's leading business men; it is as capable of taking care of its contracts as any Insurance Company in existence.

The success with which the Jefferson is meeting testifies the confidence of the public in this strong and growing Southern Company. "The Moral Awakening" of the Industrial South demanded such a company as the Jefferson and it is only necessary for you to familiarize yourself with the expert management of every department to know that it will fulfill the purpose for which it was organized; TO KEEP LIFE INSURANCE PREMIUMS AT HOME, TO DEVELOP HOME ENTERPRISES.

In return for these premiums the Jefferson will give you a contract embracing every benefit offered by any Insurance Company, whose methods are based on sound insurance principles.
