Victims of Obesity Cure Yourself at Home in Comfort. As a bodily affliction Obesity often seems to be inexplicable, so rapid is the increase of weight and bulk, even in cases where the victims are studiously temperate in eating, etc. There is evidently a predisposition that way, and neglect only tends to confirm it. The remedies tried may have grievously disappointed you. Here is one that will not do so, and you may get the ingredients at your druggist's and mix them yourself without trouble: Ask for 1-2 oz. Marmola, 1-2 oz. Fluid Extract Cascara Aromatic and 3 1-2 oz. Peppermint Water. Shake together in a good-sized clean bottle. Simply take this mixture after each meal and at bedtime, one teaspoonful to the dose, and give yourself no further trouble; the superfluous fat will subside with wonderful rapidity. Dieting need not worry you in the least, nor is violent exercising at all desirable. Wasting methods of weight reduction are not natural. Try the pleasant treatment above prescribed for a week or so, and you will be fit, strong and free from all bodily discomfort, besides having regained correct weight and a shapely figure.

1-4 Off the Regular Price We are opening up and preparing for a great offering on early fall suits. These are advance styles, made as models and every one different. We took the whole line, which makes a great assortment, and we will have them on sale Thursday morning all marked in plain figures with a reduction of one-fourth off the marked price.

This reduction, coming at the opening of the season, is something unusual, but securing so large a lot, all sample suits-- many of which never reached the display racks, all in perfect condition, and sold to us at a price, enables us to put them before the people of Charlotte and surrounding towns at a corresponding reduction. Several sample suits on exhibition in our Trade Street show windows. Remember the day and the discount. Sale begins Thursday morning. One-fourth off is the price.

The Embroidery Sale Will continue with new pieces added today, making the values and selections equal to the first hour of sale. Don't miss the Embroideries.
