

### Splendid Plan to Help Save The Auditorium

At a meeting in the office of The Greater Charlotte Club last night of enthusiastic men and women, a plan was set on foot looking toward saving the Auditorium from a public sale and consequent transformation to have an entertainment by the best local talent in the city and to present a varied program of music and comedy.

Mr. S. S. McNinch, one of the co-receivers and stockholders of the institution, acted as chairman of the meeting. After it was agreed to have an entertainment of local talent, committees were appointed to have charge of the competitive divisions and to look after their separate features. In order to stimulate interest and rivalry prizes may be offered to the divisions for the best entertainment.

Mr. J. O. Walker was appointed chairman of a committee to procure the services of the drum corps which will give 20 minutes of its very best time and skill to the entertainment.

A committee was named, of which Mr. C. O. Kuester is chairman, to get the United Commercial Travelers to get up an entertainment.

Also Prof. Harry Zehm of the Elizabeth College department of music and Prof. H. F. Anderson of the musical department of the Presbyterian College were named to arrange part of the program from the young ladies of the two institutions.

A feature on the program will be the part taken by the Trefle Club, a section of the Woman's Club, of which Mrs. A. D. Glascock was made chairman. Mrs. W. F. Harding will interest all the women's organizations and get them to lend their assistance to the entertainment.

Mr. Don Richardson will look after the orchestral music and gather the best talent in the city for the occasion. The price of admission agreed upon was 50 cents with an additional charge of 25 cents for reserved seats. The date has not been settled, but it will probably be during Thanksgiving week.

It has been found necessary to take immediate action in the matter and the meeting last night was a movement to save the building from the hammer. The financial standing of the institution is again plainly stated in the following letter from Mr. S. S.

McNinch, co-receiver with Mr. W. F. Dowd, to Mr. W. T. Corwith, secretary of The Greater Charlotte Club:

"My Dear Sir: In answer to your request for information, I have to say: The Auditorium Company owes approximately \$16,000, not counting its bonded indebtedness. Its capital of \$18,400 was never sufficient to put it on its feet, by about \$10,000. There is nothing to do but put up or let it go under the hammer.

"The actual losses to date are, counting interest, insurance, etc., about \$6,000. This includes commission on loans, etc., of about \$2,000, making real loss on operation of about \$4,000. If, however, interest and insurance while the building was under construction, and before its opening for business is considered, the net loss per year would seem to be about \$1,500. If all debts other than the mortgages are paid, extra stock being taken to the amount of \$16,000, the losses for the next five years should not be serious, if closely managed. The value of the property after five years should be much more than the investment.

"I would like to think that at the end of five years, the loss, if any, would not be great, and that the affair would be a good speculation, because of the enhancement of this property. If we measure our real estate by the prices recently paid close in, it would seem that our real estate is now worth very much more than the whole investment.

"In the event of its being financed, an executive committee of three should have charge, and employ a capable manager, so that full advantage could be taken of its opportunities, and the possibility of promoting public entertainments, etc.

"I am not on any paper of the company, but am the largest individual stockholder and am ready to double my stock if all others do so, or am willing to lose, just as may be decided. In case the effort is made to finance this concern, rather than let it go to sale, I think the floating debts should be paid in stock.

"I have a copy of the auditor's report and it is open to be seen by any of the stockholders or creditors. Mr. Dowd will also furnish his copy and confer with any of our citizens who are interested.

Yours truly,  
"S. S. MCNINCH."

### Aggressive Work by YWCA

### Report of The President, Mrs. Elizabeth Preston Allan, Shows Gratifying Strides—Two New City Associations.

69 associations under the supervision of this committee.

Increase in interest in foreign work is marked. Winthrop State Normal College will assume the entire salary this year of a foreign secretary, Miss Guinier in Colombo, Ceylon, and the other Y. W. C. A.'s will provide for her official expenses.

Four student councils have been field, and the committee and its secretaries have cooperated with the National Board in carrying out two summer conferences in Asheville.

Advance steps are anticipated for the next two years. New city organizations in one or two places, further industrial associations, a secretarial training centre, and a summer camp for wholesome and inexpensive vacations for young women. (A successful camp was run for a month at Tryon this summer, in which a good number of mill village association members enjoyed a happy vacation.)

Reports were also read by the secretaries, Miss Casler and Miss Burner. The former besides work at headquarters as executive, has visited 40 associations during the past year, while Miss Burner and Miss Garrison (recently resigned) both report over 50 student associations in which they made visits varying in length from two days to a week. One college dean was quoted as saying, "The atmosphere of the entire school is remarkably changed since the beginning of the Y. W. C. A. three years ago. It keeps out the spirit of idleness, means everything in the general development of the students. I wouldn't do without its work for anything."

The Territorial Committee is now made up of the following members: Mrs. Elizabeth Preston Allan, Charlotte; Mrs. Paul Allen, Charlotte; Miss Mary Anderson, Asheville; Miss Lillie Duke, Durham; Mrs. Plato Durham, Concord; Mrs. Robert C. Holland, Charlotte; Miss Elizabeth W. Long, Charlotte; Mrs. C. E. Mason, Carolina; Miss E. E. McClintock, Columbia, S. C.; Miss Fannie B. Moore, Charlotte; Mrs. Lewis W. Parker, Greenville, S. C.; Mrs. Wallace Rollins, Sweet Briar, Va.; Miss Florence Stephenson, Asheville; Mrs. J. Calvin Stewart, Richmond, Va.; Miss Louise Wadsworth, Charlotte; Miss Mary Woodruff, Farmville, Va.

These re-elected at the annual meeting officers as chosen last year: Mrs. Elizabeth Preston Allan, chairman; Mrs. C. E. Mason, vice chairman; Miss Elizabeth W. Long, secretary; Miss Louise Wadsworth, treasurer.

Only three secretaries will be employed for the present: Miss Casler, executive and city secretary; Miss Burner, student secretary and Miss Lois A. Neel, office secretary. It is hoped that another may be added by January, as this force is too small. The treasurer's report for the year shows \$4,128.45 received, and \$4,091.69 expended, leaving a balance of \$36.76. Of this amount nearly half was pledged by the associations, the rest was raised by personal subscription. The books were audited by the Southern Audit Co. and found correct. The next year's budget calls for \$3,000 for salaries, including work, \$750 for traveling expenses, and \$450 for office and administration expenses.

Full reports will be published after the biennial conference which is to be held in Richmond, November 13 to 14. Delegates are expected from every association in the field, and will be entertained royally by the Richmond association.

President, Dean at Brevard Street Methodist Church.

The Brevard Street Methodist congregation will have the pleasure of hearing President Olin S. Dean of Weaverville College tomorrow morning at 11 o'clock. Mr. Dean is a layman and a man of unusual gifts before an audience.

### SAVED HER OWN LIFE

### Kentucky Lady's Statement of How She Saved Her Life by the Use of Cardui.

Lebanon Junction, Ky.—"I will with the greatest pleasure, tell you that I owe my life to Cardui," writes Mrs. Mamie Lamb, "for I believe I would have been dead by now, had it not been for Cardui. I took Cardui and Black-Draught for about 4 weeks, I haven't had one of those bad spells since I commenced to use your medicine.

"I keep Cardui on hand all the time now, for it has done me more good than all the doctor's medicine. I recommended Cardui to suffering friends of mine, and they all say it is helping them so much. I will always praise Cardui, for I feel it saved my life."

Cardui is a specific medicine for women for the ills that only women suffer. It is regarded today as a dependable medicine, in thousands of homes, giving prompt relief to the suffering ones.

Cardui is made from harmless vegetable ingredients and contains no dangerous drugs. It is a safe, reliable medicine, successfully used by suffering ladies for more than half a century.

If you suffer from headache, nervousness, pains in side or back, or some other symptoms of womanly trouble, don't endure the pain longer—try Cardui and get well. It has helped thousands of other suffering ladies—it will help you too. Try it today.

For sale at all druggists.

### WORST KIDNEY AND BLADDER TROUBLE ENDED

Out-of-order kidneys act fine and backache or bladder misery is relieved after a few doses of Pape's Diuretic.

Pains in the back, sides or loins, rheumatic twinges, debilitating headache, nervousness, dizziness, sleeplessness, inflamed or swollen eyes, worn-out feeling and many other symptoms of clogged, inactive kidneys simply vanish.

Frequent, painful and uncontrollable urination due to a weak or irritable bladder is promptly overcome.

The moment you suspect any kidney-bladder or urinary disorder, or feel rheumatism coming, begin taking this harmless remedy, with the knowledge that there is no other medicine, at any price, made anywhere else in the world, which will effect so thorough and prompt a cure, as a fifty-cent treatment of Pape's Diuretic, which any druggist can supply.

This unusual preparation goes directly to the out-of-order kidneys, bladder and urinary system, clearing, healing and strengthening these organs and glands, and completes the cure before you realize it.

A few days' treatment with Pape's Diuretic means clean, active, healthy kidneys, bladder and urinary organs—and you feel fine.

Your physician, pharmacist, banker or any mercantile agency, will tell you that Pape, Thompson & Pape, of Cincinnati, is a large and responsible medicine concern, thoroughly worthy of your confidence.

Accept only Pape's Diuretic—fifty-cent treatment—from any drug store—anywhere in the world.

### Baptist Veteran and Giant is To Preach

Dr. J. B. Hawthorne, of Richmond, who for the past 30 years, has been one of the leading religious forces of the South, will preach at the First Baptist church tomorrow morning.

Dr. Hawthorne was the first apostle of prohibition in Georgia and was the means of crystallizing the temperance sentiment into prohibition legislation. He has served as pastor in several of the leading pulpits in our country.

The pastor of the church will deliver the fourth of the series of lectures at the night service. The subject is "Crowding Jesus Out of the Home." In this lecture Dr. Hutton will deal with the perplexing of divorce.

### DEATH OF AN INFANT.

Rev. J. K. Coit Called to Salisbury by the Death of His Little Son.

Rev. John Knox Coit, president of Nacoochee Institute, in Georgia, passed through this city today for Salisbury on No. 44 which was four hours late, owing to a breakdown of the engine south of Toxoca. Mr. Coit's mission is a sad one, for yesterday afternoon his 14-month-old son and only child, John Melver Coit, died of laryngeal diphtheria. The baby was only 11 1/2 weeks. The telegram announcing its death caught Mr. Coit at Athens, Ga., and followed him an hour after the one calling him to Salisbury.

The baby had been ill during the entire summer and had not rallied sufficiently to stand an attack of the dread malady of childhood. Mrs. Coit had been at Salisbury with Mr. Coit's mother, fearing to go to Georgia, as the school which Mr. Coit has charge of is 14 miles from the nearest physician. Mr. Coit is a brother of Rev. R. T. Coit, of Korea, recently of Charlotte.

The funeral will be held this afternoon.

The official journal of the International Association of Steam Engineers will hereafter be printed in Brooklyn, N. Y.

The New Jersey state convention of the Printers' League will meet at Orange, N. J., this month.

### \$3.50 Recipe Cures Weak Men—Free

Send Name and Address Today—You Can Have It Free and Be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back, brought on by excesses, unnatural drains, or the follies of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility, quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain, ordinary sealed envelope to any man who will write me for it.

This prescription comes from a physician who has made a special study of men and I am convinced it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with repeated failures may stop drugging himself with harmful patent medicines, secure what I believe is the quickest-acting restorative remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4810 Luck Building, Detroit, Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$5.00 for merely writing out a prescription like this—but I send it entirely free.

WHEN you want a good job of printing at a fair price send your order to The News Printing House, 29 S. Tryon St. 12 tf.

### SERVICES AT THE VARIOUS CHURCHES

St. Peter's Episcopal Church. Evening. 7:30. Corner Tryon and Seventh streets. Rev. Harris Mallenkrodt, rector. Twentieth Sunday after Trinity. Celebration Holy Communion 7:30 a. m. Morning prayer and sermon 11 a. m. Sunday school and Bible class 4 p. m. Evening prayer and sermon 8 p. m. Pews free. All are welcome.

Trinity Methodist Church. Preaching at 11 and 7:45, by the pastor, Rev. E. L. Bain. Sunday school at 9:45. Epworth League at 7. All are welcome.

Second Presbyterian Church. Services at 11 a. m. and 8 p. m., by the pastor, Dr. A. A. McGeachy. Sunday school and Baraca class at 3:30. Prayer meeting Wednesday evening at 8 o'clock. Strangers and visitors are cordially invited.

Callous the bowels with harsh cathartics, and you'll need physic always. Help them gently, with candy Cascarets, and you'll need them rarely. Once learn the difference and you'll never take a harsher laxative than these.

Vest-pocket box, 10 cents at drug stores. Each tablet of the genuine is marked C. C.

MUSIC. Music, Second Presbyterian Church Oct. 24. Morning. Postlude—Sortie. Kopartz. Anthem—Out of the Deep. Buck. Offertory—Te Deum. Dressier. Postlude—Sortie. Kopartz.

C. J. STIMSON BUILDING ENGINEER and CONTRACTOR For Modern Residences and All Kinds of First Class Building. 309 Realty Bldg. Charlotte, N. C.

### Are Drugs Necessary? Do Drugs Cure Disease? Can Nature be Assisted?

If people were born right and afterwards lived right, there would be no use for medicine. Every doctor knows this. So do other well-informed people. One thing more. When a person lives wrongly, or acquires bodily weakness by heredity, medicine can do only very little. Medicine cannot cure him. Only charlatans claim that medicines will cure disease. Medicines may palliate symptoms. Medicines may urge the powers of Nature to resist disease. Medicines sometimes arouse the efforts of the human body to right itself against derangements. This is the most that medicine can do.

A man accidentally puts his finger in the fire. Instinctively he wets his finger in his mouth, then blows on it for the cooling effect. This is no cure. He knows it very well. But it makes it feel better for the time being.

People eat unwisely. This produces dyspepsia or indigestion. The only rational cure is to eat correctly. Yet if a palliative is at hand the pains of indigestion can be mitigated, the throes of dyspepsia assuaged. The medicine cannot be said to have cured. It simply palliates disagreeable symptoms. The cure must come through right living.

Take Peruna, for instance. No one claims Peruna is a cure for dyspepsia. But Peruna will stimulate the stomach to perform its function properly. Peruna will increase the flow of digestive fluids, without which digestion cannot be carried on at all. It will increase the relish of food, the appetite.

It is admitted that all this can be accomplished by right living, but there are so many people who either will not or do not know how to eat correctly that a tremendous amount of good can be done by the wise use of Peruna.

A stomach that has been frequently abused performs the function of digestion very lazily. Such a stomach allows the food to remain undigested for some time after it is swallowed. This leads to fermentation of the food. Sour stomach is the result. This goes on week after week, until the blood is poisoned with the products of fermentation. This condition is very apt to produce rheumatism.

It is not claimed that Peruna will cure rheumatism. Nothing will cure rheumatism but correct living. But it is claimed that Peruna will assist a badly abused stomach to perform its work.

If a person would correct his habits, persist in right eating and temperate ways, undoubtedly the stomach would right itself, the blood would rid itself of the poison, and everything would be right. But as said before there are a multitude of people who will not or cannot adopt right methods of living. To such people Peruna is a boon. A dose cure disease. Medicines may palliate symptoms. Medicines may urge the powers of Nature to resist disease. Medicines sometimes arouse the efforts of the human body to right itself against derangements. This is the most that medicine can do.

In other words, Peruna is helpful to those who live badly, or to those who have acquired some chronic weakness. Peruna does not cure, but it assists the powers of Nature to bring about a cure. The whip does not increase the power of the horse to pull a load, but judiciously used it stimulates the horse to use his powers at the right time, without which he could not have pulled the load.

This illustrates the effect of Peruna, or any other good remedy upon the system. Taken at the right time, it can forth the powers of the human system to meet the encroachments of disease, and thus cuts short, if not entirely out, the diseased action.

No one should ever attempt to substitute medicine in the place of right living. In the end such an attempt will prove a disaster. But an occasional use of the right medicine at the right time is a godsend, and no reasonable person will undertake to deny it.

Those who know how to use Peruna find it of untold value. By and by the world will get wise enough so that through correct living no medicine at all will be needed. But that time has not arrived. In the meantime, while the world is approaching that perfection in which all medicine will be discontinued, Peruna is a handy remedy to have in the house.

Slight derangements of the stomach; slight catarrhal attacks of the liver, the throat, bronchial tubes, lungs or bowels; these attacks are sure to lead to grave diseases, and can be averted by the judicious use of Peruna.

Wouldn't you like to read a few unsolicited testimonials from people who have used Peruna, and who stand ready to confirm the above statements concerning it. If so, address the Peruna Drug Manufacturing Co., Columbus, Ohio, and we will send some prepaid.
