Will Probe Vote Seiling

By Associated Press.

Danville, Ill., Feb. 13.—Hardy H. Whitlock, who was indicted last week accused of embezzling county funds, returned to Danville yesterday in custody of Sheriff Shepard and immediately gave bond. He was asked to what extent he had boght votes. He declined to answer.

Sheriff Shepard and his deputies began serving bench warrants this morning on some of the persons who were indicted last week.

The grand jury will assemble at 1:30 o'clock when it is expected vote selling at the Soldiers' Home will be delved into. Several persons connected with the management of the home have been subpoenaed.

Mr. Whitlock suddenly changed his mind this morning about remaining in Danville and left for Detroit. It was stated by his attorney that Mrs. Whitlock was ill at Detroit, which necessitated the presence of her husband. The statement is being freely made

on the streets and about the court house that Whitlock was urged to return to Detroit before a subpoena for the grand jury could be issued for him.
