CURES PIMPLES QUICKLY.

Simple Remedy Tlat Clears Skin Quickly of Al Eruptions. For several weeks past R. H. Jordan & Co. have dore the biggest business they ever had in any one article in selling Hokara the skin food that has won so many friends in Charlotte. It has been found to be an absolute cure not only for all minor skin troubles, such as pimples, blackheads herpes, acne, scalp scalp, complezion blemishes, itching feet, piles, etc., but for the worst sores, ulcers, or even chronic eczena and salt rheum. There has yet to be found any form of wound or disease affecting the skin or mucous membrane that Hokara does not neal, and its action is so instantaneous that those who try it are simply delighted with it right from the start.

In spite of its unusual curative power, the price is trifling. To convince every one of its merits, R. H. Jordan & Co. will sell a liberal-sized jar for 25c; larger sized 50c. And remember that if you do not think it does what it claims, you get vour money back. You certainly can afford to try it on
