The whole town misses Mrs. Register. She is confined to the house and let her tell it: "What do The News?"

I wish I could say I am sick. I've been thinking I ought to go to and don't let me go out of the house. I got water on the knee—not on the head! Be sure to make that plain and don't hobble for a day or two. And don't have a cold. Think that will be my fate.

IS IT WORTH WHILE?

Is it worth while that we jostle a brother, Bearing his load on the rough road of life? Is it worth while that we jeer at each other, In blackness of heart—that we war to the knife? God pity us all in our pitiful strife!

God pity us all as we jostle each other. God pardon us all for the triumphs we feel. When a fellow goes down; poor, heart-broken brother, Pierced to the heart—words are keener than steel, And mightier far for woe or for weal.

Were it not well in this brief little journey, On over the isthmus, down into the tide, We give him a fish instead of a serpent.

Ere folding the hands to be and abide, For ever and aye, in dust at his side?

Look at the roses saluting each other; Look at the heads all at peace on the plain; Man, and man only makes war on his brother, And does in his heart on his peril and pain. Shamed by the brutes that go down on the plain.

Is it worth while that we battle to tumble, Some poor fellow-traveler down into the dust? God pity us all! Time too soon will be gone, All men together, life leaves in a gust; All of us humbled down into the dust.

—Joaquin Miller.

NEW ENTERPRISE.
The Carolina Crispette company is a new enterprise for Charlotte and is located at 210 North College street. A special and newly-patented machine is owned by the company, the machine being used in the manufacture of crispettes, a delicious, healthful and refreshing tidbit made from pop-corn.

The corn is popped in a patented machine also, which turns out a large, snowy flake, entirely free from smudge or scoring. The flakes are dumped into a copper-lined hopper, where they are mixed, while still hot, with a flavoring preparation, the whole making a most wholesome and toothsome 5 cent package. The crispettes are being sold on the streets in neatly wrapped packages.
