World's Champion—By Associated Press. New York, June 3.—World's champions will compete in every event of the New York Athletic Clubs annual games here this afternoon. All the track and field contests are handicap affairs and several records are expected to fall under the stress to which the scratch men will be put to win their events. H. S. Babcock, of Columbia University, will try to set a world's mark over the intercollegiate records established at Cambridge in the pole vault. Those who have watched his work say they would not be surprised if he cleared thirteen feet.

MANY ATHLETES COMPETE AT TULANE FIELD TODAY. New Orleans, June 3.—One hundred and sixty-five athletes entered the junior championship of the Southern Association of the A. A. U., held at Tulane field this afternoon. This is the first junior meet the Southern Association has ever held and the contests this afternoon will rival in importance those of senior day, which is next Saturday, because many of the men entered have done star work in previous senior meets. By the rules of the A. A. U., any athlete who has never won a first place in a championship meet may compete in the junior event.

Concerning "Husk" Walker

The following will be of interest to the fans of the circuit and it will be remembered that the deal has just been closed and Walker leaves this league to make his debut in the faster (?) company.

Under the heading "McAleer Hopes to Try Out Carolina League's Ty Cobb" the Washington Times prints the following:

If the Spartanburg club, of the Carolina League will agree to immediate delivery of "Husk" Walker, the crack gardener and terrible slugger of the circuit, the Nationals will have the youngster for a trial in left field. Mike Kahoe is now in Spartanburg, trying to make arrangements for the delivery of the youthful star at once. Walker is being touted down there as another Ty Cobb. In all his games this season he has shown marvelous speed in the field and on the bases. His throwing arm is said to be the equal of the great Tiger star's and is the sensation of the circuit. At the bat the youngster is hitting for 485, with fourteen home runs out of fifty-three bingles.

"I do not know anything about this fellow Walker," said Manager McAleer today, "except what is said about. Kahoe is looking after him. If we get him he'll get a trial to see how he shapes up in fast company. We are in earnest about getting youngsters, and we expect to hear from a number of likely looking kids every month has gone by."

Walker is one of the best fielders in the league and shoved the ball last year to the tune of 242 while he fielded .934. This is a great deal below his record of this year and he will certainly make the Nationals a good man. Here's hoping he'll make a second Ty Cobb.

GOODPASTURE CHARGED WITH OFFERING A BRIBE. By Associated Press. Nashville, Tenn., June 3.—The Davidson county grand jury have returned a true bill against E. C. Goodpasture, of Overton county, on the charge of offering to bribe. During the recent filibuster of the fusion legislators of Tennessee in Alabama, Representative J. Q. McDonald, of Overton county, a republican and one of the filibusters, made a sworn statement that Goodpasture had offered him \$1,500 before the legislature met to vote with the regular democrats on organization, and to repeal the liquor manufacturers' law and the election law. The matter was taken up by the Tennessee Anti-Saloon League and Goodpasture was arrested. McDonald was before the grand jury several days ago.

J. J. B. Johnson, of Paris, speaker of the Alabama division of the legislature, went before the grand jury yesterday.
