They are Closely Observing Public Health Conditions

An examining physician for one of the prominent Life Insurance Compa-nies, in an interview on the subject, made the astonishing statement that the reason why so many applicants for American people, and the large ma-jority of applicants do not even suspect that they have the disease.

He states that judging from his own

experience and reports from druggists who are constantly in direct touch with the public, there is one preparation that has probably been more successful in relieving and curing these diseases than any remedy known. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of cures.

We find that Swamp-Root is strictly an herbal compound and we would advise our readers who feel in need of such a remedy to give it a trial. It is on sale at all drug stores in bottles of two sizes—fifty cents and one dollar. However, if you wish first to test its

wonderful merits, send to Dr. Kilmer & Co., Binghamton, N. Y., for a samof the city. Southern Real Estate ple botle, absolutely free. When writing be sure and mention the Charlotte Daily News.
